AA European Breakdown Cover – Overview

Full Terms and Conditions will be sent to you if you take out a policy. This provides you with an overview of your AA European Breakdown Cover. This is not a statement of the full Terms and Conditions of your cover, which can be found in your policy wording, located in the full Terms and Conditions and should be read together with your Statement of Insurance.

AA European Breakdown Cover will arrange roadside assistance for you and your party following a breakdown or accident when you are travelling within the geographical limits (as defined on page 9 of the policy booklet).

AA European Breakdown Cover is not motor vehicle insurance. It is your responsibility to check with your motor insurers to extend your motor vehicle insurance to provide comprehensive overseas cover. If you have a Road Traffic Accident, you must supply your motor vehicle insurance details to us when we ask for this information. You must report the accident to the insurer as instructions for the repair or recovery of the vehicle can only be taken from them.
