

Apply in 2013 for an upgrade from a routine day visit to an overnight inspection and receive 10% off the booking fee*

Have you made significant changes to your establishment in the past year? Perhaps you have undergone a refurbishment or made changes to your team of staff. Why not opt for a more detailed assessment for your next inspection and upgrade your day visit to an overnight inspection?

An overnight inspection will ensure that your visiting inspector will have a full guest experience and can thoroughly assess any changes to your operation; and will be able to assess your restaurant for Rosettes.
