

Home Membership Terms & Conditions for Urgent Repair Work

These terms and conditions apply to one-off repair jobs. For repair or servicing work arranged through an insurance policy, please refer to your Home Membership Terms and Conditions booklet.

Welcome to the AA

A warm welcome and thank you for choosing the AA. This document outlines important information about the urgent repair you have requested us to carry out. Please read this document carefully as it contains information about the terms and conditions of the service you receive from the AA. You should keep this document in a safe place so you can refer to it in the future.

Before we arrive

- If you do not own the property, please ensure you have obtained the property owners permission before you authorise us to start work.
- Please ensure that the area that needs attending to is accessible and safe.

When will we arrive?

- We will agree with you what work we will carry out. We will then carry it out as soon as possible, depending on when an engineer is available and you will be provided with an appointment slot for the arrival time.

Who will do the work?

- We use our own engineers and approved qualified contractors to carry out the work on our behalf. These are carefully selected to make sure they provide a great level of service and you will always be informed who will be carrying out the work.

Pricing and payment

- It is important that you provide us with as much information about the job as possible; otherwise we can not price it correctly.
- We'll agree a price with you over the phone and take a credit/debit card payment then.
- If we arrive and the job requires more work that we agreed when the job was booked, we may have to charge more. However, we will tell you this before we start any work. If you then decide you do not want us to do the job you can cancel and will be provided with a full refund.
- The charge for the work includes the labour and parts for fixing the first fault we identify, and faults directly related to that fault. We may charge you separately for repairs to further unrelated faults but we will tell you this before carrying out further work.
- The price includes fitting standard parts not decorative parts unless these have been specifically quoted for.

Exclusions

The price quoted does not include the following:

- Repairs identified or needed due to design faults in your current system at the time of the agreed work being carried out;
- Any improvements which are needed to your heating or plumbing system or electrical installation, including the cost of PowerFlush™ or any work needed to bring your system or installation up to current standards unless this has been specifically quoted for
- Getting to your system (materials and labour) – for example, pipes or wiring buried in walls or 'built-in' appliances
- Removing any dangerous waste material, including asbestos.
- Any redecoration needed following our work, unless we have been negligent. If access has to be made, we will fill in any holes and leave the surface level but we will not necessarily replace the original surface or construction.
- Replacements of sanitary ware or decorative parts unless specifically quoted for.

Guarantee

- Materials and labour used for the work is guaranteed for one year from the date the work is completed. Within this period, if the materials are defective then we will repair or replace the defective materials free of charge. If our work is defective, then we will re-perform our work free of charge.
- These guarantees do not affect your statutory rights in relation to the quality and description of the materials and services.

Cancelling/Re-arranging

- You can cancel or re-arrange the appointment by telephoning us on 0800 316 3983. If you cancel you will receive a full refund unless the engineer is on route, or already at your property in which case we will retain a fee of £50 to cover costs incurred.
- If you cancel once the engineer has started work no refund will be provided.
- In some cases we may not be able to carry out the work, eg due to unavailable parts, if this happens you will be provided with a full refund
- If we arrive and the job requires more work that we agreed when the job was booked, and you decide not to go ahead with the job, you can cancel and will be provided with a full refund.
