What if I change my mind?

You have a 14 day cooling off period. During this period you have the right to cancel your policy and, if the policy has commenced receive a refund of premium on a pro-rata basis (excluding the AA's reasonable administrative expenses). If your policy has not commenced you will be entitled to a full refund of premium. The cooling off period begins on the day your contract is agreed or on the day you received your full policy terms, if this is later, and will also apply from each renewal date. Further information is detailed in the 'Legal rights and responsibilities' part of the 'Additional information' section in your policy booklet.

Following the cooling off period you can cancel this policy at any point and if you have not made a claim receive a refund of premium on a pro-rata basis (excluding the AA's reasonable administrative expenses). If you have made a claim no refund will be allowed.

AA Accident Healthcare is sold alongside your AA Car Insurance policy and if that policy no longer meets your needs you have the right to cancel it at any point during its duration as detailed in your AA Car Insurance Policy Booklet. If you require treatment as the result of a road traffic accident which occurred prior to cancelling the policy you are eligible to receive treatment for up to 12 months after the date of the road traffic accident, regardless of whether the policy has been cancelled.
