1. Introduction

1.1 Your agreement with us

These Terms and our Information Sheet form the agreement between you and us. They explain how your account works and set out the rights and responsibilities that each of us has regarding your account.

Your account is provided by National Westminster Bank Plc trading as NatWest Boxed.

In these Terms and our Information Sheet:

“**account interface**” means a web or mobile software application that enables you access to your account.

An “**authorised push payment scam (APP scam)**” is when you are tricked into making one or more payments to a different person, or for a different purpose, from the one you meant.

“**business day**” means any day Monday to Friday, excluding English bank holidays.

“**Faster Payment**” means a service allowing you to make and receive electronic payments in the UK which is received by the recipient bank normally within 2 hours provided that the receiving organisation or bank is part of the Faster Payments Scheme.

“**gross negligence**” is a legal term. Where you have failed to do something with gross negligence, this means that you have failed very carelessly to do it.

Powered by  **NatWest BOXED**

“**We**” means National Westminster Bank Plc trading as NatWest Boxed, the provider of your account. We are a member of NatWest Group plc. We may also be referred to as “**NatWest Boxed**”, “**NatWest**”, “**us**” or “**our**”.

“**You**” are the person named as the account holder. You may also be referred to as “**account holder**” or “**your**”.

The following also form part of our agreement:

- any mandate for your account; and
- any other document we give you and tell you are additional terms and conditions.

Please ask if you need up-to-date copies of these Terms or our Information Sheet.

Our right to change the Terms and our Information Sheet (see section 10. Making changes to our agreement) applies to any of this information.

1.2 Who are our regulators?

We’re authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. We’re entered on the Financial Services Register and our firm reference number is 121878.

1.3 The law that applies to your account

1.4 Financial Services Compensation Scheme

The Financial Services Compensation Scheme (FSCS) can pay compensation to customers if they’re eligible and a bank is unable to pay a claim against it, usually if the bank stops trading or is insolvent. Compensation limits apply depending on

the type of claim. We're a member of the FSCS and our personal savings accounts are covered by the FSCS. For further information about the compensation provided by FSCS, please visit [fscs.org.uk](https://www.fscs.org.uk).

2. Operating your account

2.1 Opening your Member Saver with Bonus Rate

When you open your Member Saver with Bonus Rate, you will need to provide us with details of a UK bank current account in your name. This will be used for payments in and out of your account with us and will be known as your nominated account.

You can only have one nominated account at a time and it needs to be able to make and receive payments.

If you close your nominated account or wish to change it, you can tell us via the account interface. You will be unable to pay into or out of your savings account until you have set up a new nominated account.

2.2 Using your account

Our personal savings accounts are only available to individuals who are UK residents.

- Your account is designed to be used in the UK for personal use and must not be used for business purposes
- If you move and are no longer resident in the UK, please tell us as soon as possible as this may affect our ability to keep your account open or to keep offering you the same account functionality
- You must not use your account for any illegal purpose, which includes tax evasion, or to avoid tax
- Your account is not designed for everyday payments so you can't set up standing orders or Direct Debits or have an arranged overdraft, and your salary or wages (including pension and benefit payments) must not be paid directly into your account
- Cheque books and cards are not available with your account

Powered by  NatWest **BOXED**

2.3 Account fees

Your account is currently not subject to any fees. Fees may apply in the future subject to prior written notice from us to you. You will not have to pay any fees if you notify us in writing, by email at support@money.theaa.com, that you choose not to use the service before the date on which the fees come into effect.

2.4 Availability of service

There may be times when the account interface or any part of it is unavailable for you to use due to maintenance, repairs or upgrades to our systems or the systems of any party we use to provide the account. We won't be liable to refund you for any losses caused by non-availability, but will notify you where possible in advance of any maintenance work. Please contact us if you're unable to use the account interface and we'll do our best to help.

3. Getting in touch with each other

3.1 How to contact us

You can contact us in any one of these ways:

- message us via web chat in the account interface
- email us at support@money.theaa.com
- phone us on 0808 502 2414

3.2 What to do if you think someone who's not authorised is trying to use your account

If you're worried someone else knows your security information or that money's been taken from your account without your permission, you should tell us by phoning us on 0808 502 2414. Phone lines are open Monday to Friday 9am to 5pm (not including bank holidays), or you can report via web chat in the account interface.

3.3 How you can make a complaint

If you're not happy with something, please let us know. You can do this by contacting us using one of the methods detailed above. We take every complaint seriously and try to put things right as quickly as possible. We'll always try to resolve your complaint straight away but sometimes we may need a bit longer.

3.4 What to do if you're still not happy

If you're unhappy with our response and want to take your complaint further, you may be able to ask the Financial Ombudsman Service to look at it.

You can find out more at [financial-ombudsman.org.uk](https://www.financial-ombudsman.org.uk).

The Financial Ombudsman Service can be contacted at:

- Exchange Tower, London E14 9SR;

Powered by  NatWest **BOXED**

- 0800 023 4567 (from a landline) or 0300 123 9123 (from a mobile); or
- Complaint.info@financial-ombudsman.org.uk

3.5 How we'll contact you

We'll contact you in one of these ways:

- by writing to you (by email, letter or text)
- by sending you a web chat notice or push notification through the account interface
- by phone
- by displaying the information in the account interface.

Any documentation we send you by email or via web chat through the account interface may be sent as an electronic attachment (for example, as a PDF). You should make sure that your electronic device(s) are set up to receive our communications (for example, they have the correct hardware, software, operating system and browser).

3.6 Statements

Unless we agree otherwise, we'll provide you with a statement every month, free of charge.

3.7 Keeping us up-to-date with your contact details

If you change your name or contact details, such as your postal address, phone number or email address, please let us know straight away. If you don't, you might not receive important information about your account. You also risk confidential information being sent to your old details, where it might end up falling into the wrong hands.

4. Paying money into your account

Money can be paid into your account from your nominated account by Faster Payment. When we receive the payment, money will be available for you to use immediately and will start earning interest on the same day.

We may not accept and credit an electronic payment to your account if we reasonably suspect that:

- it's fraudulent or related to other criminal activity on your account, or we reasonably consider that there is a high risk of such; or
- accepting it might cause us to breach a law or regulation we must comply with.

Powered by  NatWest **BOXED**

5. Interest

Interest will be calculated daily, usually based on a 365-day year. It will be paid daily, weekly, monthly, quarterly or annually depending on the type of account you hold, based on the balance in your account at midnight the day before application.

The Information Sheet explains when any interest will be paid to you and the rate that applies to your account.

We reserve the right to amend the interest rate at any time as outlined in Term 10.2 Notification of changes to the agreement.

6. Taking money out of your account

6.1 How to transfer money to your nominated account

You can transfer money from your account to your nominated account.

In most cases the payment will be made using the Faster Payments Service and the money will be added to your nominated account immediately. In limited circumstances (for example, if we suspect fraud), the payment may take longer to reach the account.

Where any limits exist on the amount that can be transferred out of your account, then these will be outlined in the Information Sheet.

Please note, if you tell us to make a payment and we reasonably suspect that the payment is part of an APP scam, we may delay making the payment while we try to contact you or a third party to investigate. We'll decide whether to make or refuse the payment by no later than the end of the fourth business day after you told us to make the payment. This applies to all Sterling payments in the UK (including those made using the Faster Payments Service).

6.2 Payment instructions

You can give us payment instructions in a number of different ways including any of the means set out in section 3.1 How to contact us, or by any other means we tell you are available.

We may ask you to take extra steps to authorise transactions (for example, entering a one-time passcode that we send you). We may have to decline a transaction if you have not inputted them.

6.3 Using third party providers

You can also give payment instructions through third parties you've authorised to act on your behalf, for example, powers of attorney and account aggregator services.

We will treat any payment instruction from a third party provider as if it was from you.

We may stop a third party provider from accessing your account for reasons related to unauthorised or fraudulent access to your accounts by that organisation.

We'll tell you about this using any of the contact details we hold for you unless this would compromise our reasonable security measures or would be unlawful. If you want to cancel the consent you have given to a third party provider to access your account you need to speak with them directly.

6.4 Delaying or refusing to act on your payment instructions

We'll always follow your payment instructions, unless:

- you don't have enough money in your account
- we reasonably believe that you didn't give the payment instruction
- we reasonably suspect the payment instruction is for an illegal purpose
- we reasonably suspect your payment instruction is connected to a scam, fraud or any other crime, or we reasonably suspect that your payment instruction is of a type where there is a high risk of there being such a connection
- your payment instructions are unclear or incomplete
- we reasonably suspect that following your payment instruction may mean that we breach a law or regulation with which we must comply or may expose us to action from a government, regulator or law enforcement agency
- a restriction which applies to your account prevents us from following your payment instruction (for example, the payment instruction exceeds the daily payment limits set on your account)
- we believe it's appropriate to protect your account
- you've broken any term of our agreement in a serious way

Powered by  NatWest **BOXED**

If you'd like to understand why we didn't follow your payment instruction, you can contact us via any of the means set out in section 3.1 How to contact us. If we can, we'll explain why we didn't follow your payment instructions, unless there's a legal or security reason which means we can't provide an explanation.

6.5 Cancellation of a payment

We can't stop a payment you've asked us to make.

If you have used a third party provider, you cannot normally cancel the payment once they have initiated a payment.

7. Keeping your account safe and limiting the use of your account

7.1 What you need to do to keep your account safe

You must:

- take all reasonable steps to keep your security details safe (including any passwords or log-in details)
- never share your authentication codes/details (including a one-time passcode) with anyone as these can be used to authorise payments out of your account
- never approve a transaction that you don't recognise or have not made yourself
- when you're logged on to the account interface do not leave the device (for example, the mobile phone, tablet or computer) you're using unattended and you must make sure that any information stored or displayed on your device is kept secure
- keep the software on any devices you access your account on (for example, the mobile phone, tablet or computer) up to date including any anti-virus software
- be aware that if you give your login details to a third party provider, we're not responsible for what they do with your details or account information

Fraudsters use all kinds of scams to trick you into parting with your money. We will never:

- ask you to give us or anyone else your full security details (including your log on details, password or passcodes)
- ask you to transfer money to a new account for fraud reasons, even if we say it's in your name

Even if the person requesting your details is using our name and logo and appears to be genuine, you must not share your details with them.

Some third party providers might ask you for your account interface login details and password to provide their service to you. If you decide to give them this information, this means that they'll be able to see and do anything you can on your accounts.

If you're ever in doubt, please call us on 0808 502 2414.

7.2 Limiting the use of your account or our services

We may suspend or restrict the use of your account or certain services if:

- We reasonably believe that your security details haven't been kept safe
- We reasonably suspect that your security details have been used fraudulently or without your permission
- We reasonably believe it's appropriate in order to protect your account
- You've broken in a serious way any term of this agreement or any other agreement you have with us
- You give us any false or materially misleading information
- We reasonably suspect that your account or any other account you hold with us (or another member of the NatWest Group) has been, is being or is likely to be used for an illegal purpose
- We reasonably suspect you're involved in fraud or other criminal activity
- We reasonably believe that continuing to provide access to your account or to certain services would mean that we might breach a law or regulation that we must comply with
- A restriction applies to your account (for example your payment instruction exceeds the daily payment limits set on your account);
- You're no longer resident in the UK (and we're unable to operate your account in the same way as when you were resident in the UK);

Powered by  NatWest **BOXED**

We will explain our reasons for taking any of these steps, unless we're unable to contact you or there's a legal or security reason which means we can't provide an explanation.

7.3 Payment limits

We may apply limits to payments to and from your account – for example, the maximum balance on your account, or to payment types where there is a high risk of fraud, scams or other crimes. We monitor these limits, may change them over time and will make information on them available to you in the account interface website FAQs, unless there is a security reason that prevents us from doing so.

7.4 Notifying you of concerns

If we suspect or become aware that your account may be subject to fraud or security threats, we'll contact you via the most recent details we hold on record for you.

8. What happens when something goes wrong?

8.1 When you need to contact us

If you suspect that:

- An incorrect payment has been made from your account;
- An unauthorised payment has been made from your account; or
- You're the victim of an APP scam,

you must contact us as soon as possible via web chat in the account interface or via any of the means set out in section 3.1 How to contact us.

8.2 What we'll do if you tell us about an incorrect or late payment

If it's our mistake

If we make a mistake in processing your payments, we'll refund you (including any charges or interest which you've paid as a result of the payment being taken). If we make or credit a payment later than we said we would, then we'll put your account back in the position it would have been had we not made the error. You can also ask us to contact the other bank and ask them to correct the amount of interest on their customer's account.

If it's your mistake

If you give us incorrect payment details (for example, the wrong sort code or account number) then, once you've told us, we'll make reasonable efforts to recover your money back for you but we may not be able to recover the payment and we may charge you a fee for trying to recover it.

If we can't, we won't refund you. However, if you ask us to, we will ask the payee's bank for the payee's contact details so you can try to get the money back.

8.3 If money is paid into your account by mistake

If someone makes a payment to you by mistake and their bank gets in touch with us to let us know, then we need to take the money from your account and hold it. We'll then contact you to tell you what has happened. If you agree it was a mistake, or if we don't hear back from you within 15 business days after contacting you, we'll return the money to the bank that contacted us about the payment.

If you tell us that the payment was not sent to you incorrectly then we'll return the money to your account but we may have to pass your contact details on to the bank that contacted us about the payment.

In cases where funds have been received by you due to a system error (for example, duplication of payment), then we'll have an automatic right to debit your account.

8.4 What we'll do if you tell us about a payment made without your permission

If someone has made a payment without your consent you should tell us as soon as possible. We'll refund you for any unauthorised payments, unless you've tried to commit fraud. If you're due a refund, we'll pay this by the end of the business day after you tell us that an unauthorised payment has been taken from your account. We may take longer if we reasonably suspect fraud.

8.5 What we'll do if you tell us about an APP scam

We'll investigate to see if you're entitled to a refund. This may include asking you and others for further information about the APP scam. We'll refund you, or explain why we're not refunding, as soon as possible and within a maximum time limit.

Please be aware:

- To qualify for a refund, APP scam payment(s) must be electronic payments made in pounds Sterling to an account in the UK that you don't control. This does not include debit card payments.
- Any refund will be up to a maximum for each APP scam.
- We may hold you responsible for part of your claim, except where:
 - due to personal circumstances you were vulnerable when you made the APP scam payments; and
 - your vulnerability contributed towards you becoming a victim.
- More information on APP scams and how you are protected is included at natwest.com/safefromscams. This includes information on:
 - the types of electronic payments that are in scope;
 - what you can do to protect yourself;
 - the maximum amount that we'll refund for each APP scam;
 - the part of your claim that we may hold you responsible for;
 - how we investigate claims, including how long we have to reach a decision; and
 - the date from which these protections apply.

We won't refund you if:

- you acted fraudulently, including intentionally misleading us about the details of your claim;
- you make the claim more than 13 months after the last APP scam payment;
- you tried to make the APP scam payment(s) for an illegal purpose (for example, buying illegal goods or services);
- you have a genuine dispute with a provider of goods or services (for example, about the quality of those goods or services);
- you failed intentionally or with gross negligence to:
 - respond to specific actions that we, the police or another law enforcement agency took to help prevent you from falling victim to an APP scam;

- tell us as soon as you became aware, or you suspected, that you'd fallen victim to an APP scam;
- respond to our reasonable requests for additional information while assessing your claim; or
- report your claim, or agree that we can report your claim, to the police or another law enforcement agency;

unless, due to personal circumstances, you were vulnerable when you made the APP scam payment(s) and your vulnerability contributed towards you becoming a victim.

8.6 Our general liability

Except where the law doesn't permit, we won't be responsible for any losses:

- caused by circumstances beyond our control as the situation was abnormal or unforeseeable (for example, due to extreme weather, terrorist activity or industrial action);
- you suffer relating to loss of opportunity, loss of goodwill, loss of business or loss of profit arising in any circumstance;
- we could not have reasonably predicted when you gave us an instruction; or
- where we delay or refuse to act on your instructions, accept a payment to your account, close your account or limit the use of your account or services for a reason we give in these Terms.

9. Using money in your account to pay us or others

9.1 Paying charges relating to your account

Sometimes we'll charge you fees for using your account.

We've explained any fees and when they'll be charged in our Information Sheet, but this doesn't include any fees a third party might charge you.

There may be other charges for additional services not covered in this agreement, but we'll always tell you about these charges before you sign up for those services.

If a court order or legal process brought by a third party against you is served on us (for example, telling us to freeze your account), we may charge you an administrative fee (minimum of £25). We'll take this directly from your account and let you know when we've taken it.

9.2 Tax

If you owe tax (or other charges) to an authority in connection with your account, we may take this payment from your account.

9.3 Using money in your account to repay money you owe us

If you owe us money and the money is overdue for payment, we may take money from your account to repay some or all of the money you owe us (including any fees or interest). This is called "set-off". We'll never set off a debt on your account against money held in an account that you hold with someone else. We may set off any money we owe you (for example, as a refund or compensation or to settle a complaint you've made against us) to repay or reduce any money you owe us which is overdue for payment.

10. Making changes to our agreement

10.1 Reasons for changes to the agreement

We may change these Terms or the Information Sheet where we have a valid reason to do so, for example to:

- respond proportionately to a change in the Bank of England’s base rate,
- respond proportionately to changes in the interest rates paid by other banks and financial institutions on personal savings accounts,
- reflect changes in how much it costs us to provide our services,
- reflect changes in the law or changes to our systems, or
- make this agreement clearer to you.

10.2 Notification of changes to the agreement

If we introduce a new service or lower or remove a fee, we can change these Terms straight away. We will let you know about all other changes (excluding changes to interest rates) at least 30 days in advance.

The table below sets out how and when we’ll tell you about a change to interest rates:

If we change the interest rate	Notice we’ll give you	How we’ll give you notice
In a way that is to your advantage	Either before the change comes into effect or at the earliest opportunity afterwards	By: <ul style="list-style-type: none"> • advertising the change on the The AA website; or • email to the email address you gave us.
in a way that is to your disadvantage (and your account has a balance of £100 or more)	At least 14 days	By: <ul style="list-style-type: none"> • email to the email address you gave us

NatWest **BOXED**

in a way that is to your **disadvantage** (and your account has a balance of less than £100)

Either before the change comes into effect or at the earliest opportunity afterwards

By:

- advertising the change the The AA website; or
- email to the email address you gave us.

We'll assume that you've accepted the changes unless you close your account during the notice period. If you choose to do this, you won't lose any interest and there are no closure fees.

10.3 Transferring your account to another provider

We reserve the right to transfer your account (and your and our rights and responsibilities) to another provider in the future. This could happen if we decide to sell the business, or if we merge with another business, or a change in the law means we have to. We will only make a transfer like this if we believe you'll be treated in a similar way afterwards to the way we've treated you as one of our customers.

11. Closing your account

11.1 How to close your account

Unless otherwise stated, you can close your account at any time. If you'd like to close your account, just transfer any money from your account into your nominated account and then contact us via any of the means set out in section 3.1 How to contact us.

11.2 When we can close your account

We can close your account at any time as long as we give you at least 60 days' notice. We can also close your account immediately if:

- We reasonably suspect that you've given us false information when you opened your account, which was a significant factor in our decision to open your account (or to continue to provide it to you);
- We reasonably suspect that your account (or any other account you hold with us) has been used, is being used or is likely to be used for an illegal purpose;
- You behave in an offensive, threatening or violent manner, which includes any racist or other discriminatory conduct, towards our staff;
- We're required to do so by law or regulation; or
- Keeping your account open may expose us to action from a government, regulator or law enforcement agency.

We will explain our reasons for closing your account unless there's a legal or security reason which means we can't provide an explanation. There may, however, be situations where it might not be appropriate or permissible for us to engage with you to explain our reasoning.
