Call Charges and use of Public Telephones

Some call service providers may charge for calls to free phone numbers. It may be possible for the AA European Operations Centre to return a call to a mobile or a car phone, but your call service provider may charge you for this call.

You are therefore recommended to use a public telephone if possible. In France, only those phone boxes displaying the blue bell sign can receive incoming calls.

Please note that the AA regrets that it cannot reimburse any telephone costs incurred by your party.

What to do if you need assistance

Before you call anyone:

1. If possible try and stop in a safe place out of the way of traffic.
2. Switch on hazard warning lights and sidelights.
3. Put on your high visibility jacket where legally required.
(see theAA.com/motoring_advice/overseas for further information)
4. Place a warning triangle behind your vehicle in a clearly visible position
 - Roads: approximately 30 metres behind.
 - European Motorways: approximately 100 metres behind.
 - UK Motorways: do not place a warning triangle as this is illegal for safety reasons.
5. Get all occupants to a place of safety away from moving traffic.

What to do on a French motorway:

Motorways in France are privately managed, so if you break down on a French motorway or motorway service area, the AA cannot arrange for assistance to be sent to you.

1. If you can get to an emergency telephone box, please press the button and the police will send assistance to your location.
2. If you are using a public phone, please dial 17 or, from a mobile phone, dial 112.
3. Once you have been towed off the motorway/service area, call the AA 24-hour helpline for further assistance.

Please note that it is compulsory in France to travel with a warning triangle and a fluorescent high visibility vest. Please see theAA.com/motoring_advice/overseas for further details on various European driving requirements.

What to do elsewhere in France or the rest of Europe:

Call the AA 24-hour helpline for assistance. It is important that you contact the AA helpline if you require assistance. If you contact a garage direct, you will have to settle their bill and we will not be obliged to reimburse you.

If you have had an accident

If you have a road traffic accident, you must supply your motor vehicle insurance details to us when we ask for this information. You must report the accident to your insurer as instructions for the repair or recovery of the vehicle can only be taken from them.

If you do not supply us with the details of valid motor vehicle insurance when we ask you for this information, we reserve the right not to arrange assistance for you.

Please be ready to tell us:

1. Your AA European Breakdown Cover- Lite Policy number, which appears on your Statement of Insurance, or your booking reference.
2. Your exact location.
3. A contact telephone number.
4. Your vehicle's make, model and registration number.
5. Your credit card details. These are only required for emergency vehicle hire or if you request us to make arrangements on your behalf which are not covered by the policy or if arrangements exceed policy limits

Driving Licence

Your driving licence must also be available if the emergency vehicle hire benefit is available and is to be used; the vehicle hire company will expect to see the original driving licence, together with paper counterpart, if you hold a photocard licence.

Always carry your Statement of Insurance or booking reference

You will need to quote a valid policy number or booking reference when you contact us for assistance, and we reserve the right to refuse to arrange assistance if you are unable to do so.

Declaration

You must be able to make the following declaration at the time of taking out this cover.

As far as I know the following is true:

- a. My vehicle is eligible for AA European Breakdown Cover – Lite and has been regularly serviced and maintained according to the manufacturer's instructions and I am not aware of any electrical, mechanical or other vehicle problem which may interrupt my trip;

- c. If I am purchasing a Single Trip policy and intend to tow a trailer or caravan, I have made the AA aware of this and paid the additional supplement.

If you cannot agree with this declaration when you take out the cover, you must phone the AA on 0344 209 0081. If you cannot contact us at the time of buying this cover, you must contact us within 14 days of purchase and before the stated departure date.

Making sure that your details are correct and/or making a change to your cover

If any of your insurance, or personal, details set out on your documents are incorrect or incomplete, or if you need to make a change, please call the Customer Services Helpline as soon as possible. Failure to do so may result in your insurance being cancelled or in your claim being rejected or not fully paid. Vehicle Specifications

1. Vehicle types

We cover the following vehicle types:

a) Private cars, light vans, campervans, motor caravans and minibuses

Cover is available for the vehicles listed, providing they meet all the vehicle specification criteria set out under the policy. Without limitation, please note in particular the weight and size restrictions set out in point 2 below.

Please note that campervans, minibuses and motor caravans are excluded from the optional Parts and Labour benefit.

b) Motorcycles

Cover is also available for motorcycles over 200cc providing they meet the vehicle specification criteria set out under the policy (without limitation, please note in particular the weight and size restrictions set out in point 2 below). However, We regret that it is not possible for Us to arrange hire of a motorcycle if a replacement vehicle is required. A hire car or alternative transport will be arranged.

We regret that We will be unable to arrange a motorcycle recovery specialist. However, We may organise for Your motorcycle to be repatriated back to the UK under the 'Vehicle Recovery to the UK or onward to Your original destination' benefit detailed on pages 20 – 21, providing the

terms of that benefit have been met.

Please note that motorcycles are excluded from the optional Parts and Labour benefit.

c) Trailers and Caravans

Commercially built caravans, luggage trailers, camping trailers, car trailers, boat trailers, bike trailers, flatbed trailers and trailer tents are included within the policy, providing that the towed vehicle and the trailer load complies with the weight and size restrictions shown below, and does not exceed the manufacturer's fully laden height, weight and width limits and is fit for purpose. In addition, a serviceable spare wheel and tyre must be carried if supplied as part of the manufacturer's standard equipment.

A towing supplement is payable except for Annual Multi Trip or Annual Long Stay policies.

We do Our best to find solutions to motoring problems, but We regret We cannot arrange a replacement caravan or trailer if Yours cannot be repaired in Europe. It is also extremely difficult to hire vehicles with tow bars, so it may become necessary to repatriate a caravan or trailer together with the insured vehicle, if the insured vehicle cannot be repaired abroad by Your return date.

If We cannot arrange repair of the trailer in Europe, We will only repatriate a trailer up to its current Market Value. If You choose to collect Your trailer, the benefits are up to a maximum of £800 for one person.

NOTE: Although We will cover any costs relating to the transportation of personal effects, goods, vehicles, boats or other waterborne craft on or in Your Vehicle and/or trailer, We will not consider any claim for loss resulting from damage to/loss of use of these items. Such items remain Your responsibility at all times.

Please note that trailers and caravans are excluded from the optional Parts and Labour benefit if purchased.

Any type of vehicle or trailer not mentioned in these Terms and Conditions is not covered.

2. Weight and size restrictions (including any load carried)

We cover vehicles highlighted overleaf providing that they comply with the limitations and vehicle type, weight and size restrictions, and other conditions as set out below.

The trailer, caravan and its load must also comply with the size and weight restrictions below, or unfortunately We will be unable to recover Your property.

Maximum vehicle weight:	3.5 tonnes (3500kgs) gross vehicle laden weight
Maximum vehicle length:	7m (23ft)*
Maximum vehicle width:	2.3m (7ft 6in)*
Maximum vehicle height:	3m (9ft 10in)*

* These dimensions will be calculated taking into account anything attached to Your Vehicle and any trailer or caravan, including but not limited to towing equipment, any carriers or racks (e.g. bike or luggage), or anything else attached to the vehicle or the carriers/ racks.

3. Vehicle Specifications

All vehicles must be built to manufacturer's specifications, display a current tax disc, hold a current MOT certificate (where required), hold appropriate insurance for driving overseas, be in a roadworthy condition at the start of Your Trip and used for private purposes only. In the event of a claim We may require proof of Your Vehicle's service history.

4. Vehicle Occupancy

Single Trip, Annual Multi Trip and Annual Long Stay Cover

The maximum persons in Your Vehicle must not exceed eight (8) including the driver and any infants and must also not exceed the number of seats fitted in the vehicle. The vehicle must have seats and restraints fitted as manufacturer's standard.

You must comply with legislation in the countries You are visiting and We cannot be liable for any loss whatsoever because Your Vehicle cannot be imported into or used in overseas countries, due to its type, weight and/or dimensions. If in doubt, contact the AA for advice before You travel.

Significant and Unusual Exclusions or Limitations

AA European Breakdown Cover - Lite is not an extension of AA Membership benefits into Europe but is a separate insurance contract with Us subject to the Terms and Conditions shown within this policy booklet.

1. Service providers

AA Mechanics (that is "AA" branded mechanics who are employed by Automobile Association Developments Limited, trading as AA Breakdown Services) do not generally operate in Europe. Roadside assistance will usually be provided through a garage or, if You are visiting a country where a motoring organisation operates, We may arrange for a mechanic of a local organisation to assist.

- Service providers including garages, repairers, recovery operators, mechanics of motoring organisations, car hire companies, etc are not approved by Us and do not act as Our agents. We cannot be held liable for any acts or omissions of any such garages or other service providers.
- We may arrange assistance for You in accordance with the terms of this cover and indemnify You for the costs involved subject to the terms and limitations of this cover. However, We do not actually provide the services (such as roadside assistance and vehicle repairs) and we are not liable for the acts and omissions of those who do. If You are dissatisfied with any work undertaken You should contact the relevant service supplier direct. If service has been provided by an AA Mechanic you should contact Automobile Association Developments Limited, trading as AA Breakdown Services.

Please note:

- Vehicle recovery is not AA Relay and vehicles will usually be brought back unaccompanied.
- National holidays and working hours vary throughout Europe and are different to the UK. This will impact on the assistance We are able to provide to You especially during busy periods.
- European garage mechanics and mechanics are unlikely to speak English. Your European Breakdown Cover - Lite will provide a translation service for You. If You need help, ring the 24-hour AA European Operations Centre on 00 800 88 77 66 55.

2. Cost of repairs and replacement parts

- Any advice regarding the cost of repairs provided by the AA European Operations Centre will be indicative only and it is Your responsibility to ensure You have received and understood the quotation given by the repairer before agreeing to any work to be carried out. Any contract for repair will be between You and the repairer. Only the repairer has legal responsibility to You for the performance and quality of the repairs, including repairs at the roadside. We do not have any liability for the acts and omissions of the repairer, even if We pay for the repairs in part or in full.
- If spare parts are not available locally, this will impact on the time taken for a repair.

3. Mechanical Warranty

- You must advise Us if Your Vehicle has a mechanical warranty. While We will arrange initial assistance at the roadside, it is Your responsibility to ensure that any subsequent repairs are in accordance with and do not invalidate Your Vehicle warranty.

4. Average Recovery time to the UK

When vehicle recovery is arranged, delivery of the vehicle normally takes 8-14 working days from most countries in Western Europe. At busy periods, or other destinations such as, without restriction, Scandinavia or the Balkan Peninsula, recovery may take longer.

5. Personal luggage and equipment

Providing the trailer and goods meet the size restrictions on page 12 and the trailer is deemed fit for purpose, We will arrange for the trailer and its contents to be repatriated. Boats or other waterborne craft towed on a trailer will be repatriated only if the cost of transportation is less than the combined Market Value of the boat and the trailer. Vehicles towed on a trailer or the trailer itself, will only be repatriated if the cost of transportation is less than the Market Value of the vehicle or trailer.

Please note that although We cover the costs relating to the transportation of personal effects, goods, vehicles, boats or other waterborne craft on or in Your Vehicle and/or trailer, We will not consider any claims for loss resulting from damage to/loss of use of these items. Such items remain Your responsibility at all times.

6. Travelling with Pets

We will not cover any additional costs incurred as a consequence of an animal travelling with You or Your Party.

7. Replacement vehicles

While We will try to source a replacement vehicle that meets Your needs, We cannot guarantee replacement vehicles of a specific make, model or type. Please see page 18 for details.

Arrangements for vehicle hire cannot be made without a credit card.

8. Service Liability

Nothing shall limit Our liability to You in respect of death or serious injury caused by Our negligence.

9. Motor Vehicle Insurance

AA European Breakdown Cover - Lite is not motor vehicle insurance. It is Your responsibility to check with Your motor insurers to extend Your motor vehicle insurance to provide comprehensive overseas cover. Failure to do so may reduce Your cover to the national legal minimum level of motor insurance in the countries You are visiting.

If You have a road traffic Accident, You must supply Your motor vehicle insurance details to Us when We ask for this information. You must report the accident to the insurer as instructions for the repair or recovery of Your Vehicle can only be taken from them.

10. Vehicle Changes

You must inform Us if the vehicle You intend to take on Your Trip differs from the vehicle stated on Your Statement of Insurance prior to the commencement of your trip. You are entitled to make up to three (3) vehicle changes during Your policy, provided this change is made before the commencement of the trip for which You want the particular vehicle covered. The AA reserves the right to charge an administration fee of £20 for each vehicle change made and an older vehicle supplement if the vehicle is older than the previously nominated vehicle. There will be no refund of premium which has been paid in relation to any vehicle which was previously nominated under AA European Breakdown Cover - Lite, even where that supplement would not have applied to the vehicle for which a transfer of cover has been requested. For all types of cover, You must inform Us of the change in vehicle prior to commencement of Your Trip.

Cancellations

You have the right to cancel your AA European Breakdown Cover - Lite policy and the Optional Parts and Labour benefit within 14 days ('the cooling off period') commencing either from the agreement of the relevant contract (which is the renewal date when renewing Annual Multi Trip and Annual Long Stay policies) or the receipt of the policy documents, whichever happens later. The following refund policy will apply for cancellations within the cooling off period:

- a) If You cancel during the cooling off period and before the stated departure date You will be entitled to a full refund of Your premium.
- b) If You cancel during the cooling off period, but on or after the stated departure date, You will:
 - i) If You have purchased a policy of more than one month's duration, be entitled to a refund of Your premium, less Our administration charge of £20,
 - ii) If You have purchased a policy of less than one month's duration, have no right to a refund.

For the avoidance of doubt We reserve the right to withdraw and/or not to offer cover at renewal.

We will send You a written reminder in advance of Your renewal date to advise You of the premium and any changes to cover that will take effect at renewal, including any applicable vehicle age related supplement(s). Amending your policy

Please contact Us before Your existing cover expires.

If You decide to stay abroad beyond the policy end date declared at the time of purchase and shown on the Statement of Insurance, You must notify Us of Your new plans before the cover expires and pay the additional premium to keep Your cover in force. An administration charge of £20.00 will be made. If You do not contact Us before Your cover has expired, Your cover will lapse and cannot be reinstated.

Information We require to extend Your policy:

- Your name
- Your policy number or booking reference
- The amended date of Your return Home
- Your original return date
- How many extra days' cover You need
- Your payment details. You must pay for the extension at the time of Your request.

The policyholder must request any extension of cover personally, and any extension of cover will be at the AA's discretion. The original financial limits will continue to apply to the extended period of cover and any extension is subject to the terms and conditions applying to AA European Breakdown Cover - Lite policies as set out in this booklet.

What if my original cover has already expired?

The AA is only authorised to sell cover to customers who start their journey in the UK. Therefore, if You are outside of the UK when Your cover expires, We cannot extend Your original cover or put in place a new policy.

How long can I extend my policy for?

It depends on the type of policy You purchased, please see the details below:

	Maximum policy duration
Single Trip	365 days for a single trip

To extend Your AA European Breakdown Cover - Lite, please call Us on 00 44 344 209 0081.

What happens if as a result of an Accident or Breakdown my policy has expired?

Please also advise Us if any claims have been incurred under AA European Breakdown Cover - Lite while You have been abroad. Cover is extended automatically without charge if You are prevented from returning Home as planned due to an incident insured against by this cover.

Amending Geographical Zones

Please contact us before you enter a country which you have not purchased the appropriate zone for. You will be asked to pay an additional premium to adjust your policy.

Amending Passenger Numbers

The number of passengers detailed on your Statement of Insurance should reflect the actual number of passengers travelling, for both the outbound and the inbound journeys of the Trip. You must notify us prior to travel. You will be asked to pay an additional premium to adjust your policy.

Vehicle Registration Number

You can not adjust the vehicle registration number on a Single Trip policy after the trip start date. Your vehicle registration can be changed up to 3 times on an Annual Multi Trip policy during the policy year.

The AA reserves the right to charge an administration fee of £20 for each vehicle change made and an older vehicle supplement if the vehicle is older than the previously nominated vehicle. There will be no refund of premium which has been paid in relation to any vehicle which was previously nominated under AA European Breakdown Cover - Lite, even where that supplement would not have applied to the vehicle for which a transfer of cover has been requested. For all types of cover, You must inform Us of the change in vehicle prior to commencement of Your Trip.

Service Descriptions

If Your Vehicle is stranded on the highway as a result of Breakdown or Accident, AA European Breakdown Cover - Lite ("the covers") will provide, within the Geographical Limits, subject to all relevant terms, conditions and exclusions contained in this booklet, for the arrangement of emergency roadside assistance and, where appropriate, vehicle recovery to the UK, and emergency alternative travel or emergency accommodation for You and Your Party. The optional Parts and Labour benefit is only available where purchased and only applies in the event of a Breakdown (not Accident).

1. Roadside assistance and emergency repair

WHAT WE WILL COVER

We will arrange emergency help for You and cover costs for emergency roadside repair or towage to a local repairer to a maximum benefit limit of £300.

WHAT WE WILL NOT COVER

1. Any costs for labour that are not incurred at the roadside.
2. Any costs for replacement part(s), tyres, body glass, fuel, lubricants or other fluids, keys or materials.
3. Any costs for a locksmith, body glass, tyres, keys or other specialist. If We consider that their services are needed, We will seek to arrange this on Your behalf, but will not pay for the cost of the call out nor any repair.
4. Any further assistance for the incident, if the use of a locksmith or other specialist will mobilise the vehicle.
5. Any costs for non-emergency repairs such as radios, cd players and heated rear windows, satellite navigation or air conditioning or climate control faults which do not affect the mobility or security of Your Vehicle nor render it unsafe to drive.
6. Any costs resulting from failure to maintain or service the vehicle in accordance with manufacturer guidelines.
7. Any costs incurred because You are not carrying a spare set of vehicle keys, or other vehicle access device, (where a spare set of keys or second vehicle access device is supplied by the manufacturer), a spare set of keys for steering wheel locks, where used, and a legal and serviceable spare wheel(s) and tyre(s) or an "instant mobility system" (where this is supplied with the vehicle).
8. Any costs covered under Your Vehicle's warranty.
9. Any costs incurred where the vehicle is overloaded, used in rallying, off-road driving or in the Nürburgring or used in motor sports.
10. Any matter excluded from cover under the General Terms and Conditions set out on pages 23 – 24, for example, but without limitation, any emergency assistance required following Breakdown or Accident where the need for such assistance arises in the circumstances specified in clause 7 of the General Terms and Conditions.

NOTES

- a. We reserve the right to refuse to arrange breakdown assistance services if one of the person(s) named on the Statement of Insurance is not present at the scene of the Breakdown or Accident.
- b. If We cannot arrange for a garage to accept Our guarantee of costs, We will ask You to pay for any repairs undertaken at the time and reclaim AA European Breakdown Cover - Lite insured costs when You return Home.
- c. We cannot guarantee that any tow to a local repairer will be within opening hours or that the repairer will be available to undertake any necessary repair immediately.
- d. We do not have any responsibility to You for the acts or omissions of the providers of breakdown assistance services or repair services. Only the service provider will have legal responsibility to You for the performance and quality of the services, including repairs at the roadside, towing to a local repairer or repairs at a local repairer. We do not have any liability for the acts and omissions of the repairer, even if We pay for the repairs in part or in full.
- e. If You insist on authorising lengthy or expensive repairs contrary to Our advice, We reserve the right to refuse any further service under any part of this insurance.
- f. We will only seek to arrange a guarantee of costs within the limits We cover and You will have to

- pay the repairing garage for extra costs and the costs of parts.
- g. Any advice regarding the cost of repairs provided by the AA Helpline will be indicative only and it is Your responsibility to ensure You have received and understood the quotation given by the repairer before agreeing to any work to be carried out.
 - h. If You are not the owner of the vehicle, You must check with the owner before You authorise any repairs.
 - i. Repair costs can vary from those in the UK.
 - j. Before You pay the bill and take Your Vehicle away from the garage, check the work carefully to make sure it is satisfactory. Report any problem to Us immediately, while You are still overseas, as it may be very difficult for You to have a faulty repair corrected or to get any redress after You have paid the bill and returned Home.
 - k. If the garage cannot complete the repairs within eight (8) hours or until after Your planned return Home, You must contact Us to discuss Your options. You must keep in touch with Us to confirm any further entitlements under the benefits.
 - l. If Your Vehicle has left the highway and You ask for assistance when it is in a ditch, standing on soft ground, sand or shingle, or stuck in water or snow, any recovery to a place of safety We arrange for You will be at Your cost.

2. Location and despatch of spare parts

WHAT WE WILL COVER

We will pay for the location and delivery costs of spare part(s) needed to complete repairs overseas, providing that repairs have been agreed as the best option.

WHAT WE WILL NOT COVER

- 1. Any costs for replacement part(s), tyres, body glass, fuel, lubricants or other fluids, keys or other materials.
- 2. Anything mentioned as not covered under 1. Roadside assistance and emergency repair.
- 3. Any matter excluded from cover under the General Terms and Conditions set out on pages 23 – 24, for example, but without limitation, any emergency assistance required following Breakdown or Accident where the need for such assistance arises in the circumstances specified in clause 7 of the General Terms and Conditions.

NOTES

- a. We will ask You to pay for any spare part(s) at the time they are ordered for You.
- b. We cannot guarantee that spare part(s) will be available, especially for older vehicles, where parts may be impossible to locate.
- c. We are not liable for variations in the cost of spare parts located overseas.
- d. Standard UK spare parts may not be available locally and delays may occur in location and delivery from the UK.

3. Alternative travel arrangements

You can only claim this benefit if You are not claiming the Emergency Accommodation benefit.

If the repairer estimates that the repairs to Your Vehicle will take more than eight (8) hours, We will cover Your necessary costs for alternative travel as set out below.

WHAT WE WILL COVER

Additional expenses of up to £40 per Party, per day and a maximum limit of £400 from one or a combination of:

- a. Contribution towards the cost of hiring an alternative vehicle (including the minimum legally required motor insurance cover for the relevant territory or territories);
- b. Air fares (economy)
- c. Rail fares (standard)
- d. Local taxi fares
- e. Any other transport equivalent to 2nd class rail fares

WHAT WE WILL NOT COVER

1. Any additional charges arising from Your use of the hire vehicle such as fuel costs, any insurance excess charges, or additional hire costs if You keep the vehicle longer than the period of hire agreed with Us. You must pay these costs direct to the hirer.
2. Any additional charges made by the airline including but not limited to excess baggage.
3. (In connection with any contribution made by Us under paragraph a. above). Any contribution towards the cost of motor insurance cover for an alternative hire vehicle which is over and above the relevant minimum legally required cover for the territory or territories concerned. We strongly recommend You consider purchasing (at Your own expense) additional insurance and, for example, without restriction, purchase Collision Damage Waiver, if offered by the hirer.
4. Any costs incurred if You leave a hire car at a different location to the one agreed with Us or the hire company.
5. Any costs incurred following Your return to Your Home in the UK.
6. Any additional costs incurred for Your pet(s).
7. Anything mentioned as not covered under 1. Roadside assistance and emergency repair.
8. Any matter excluded from cover under the General Terms and Conditions set out on pages 23 – 24, for example, but without limitation, any emergency assistance required following Breakdown or Accident where the need for such assistance arises in the circumstances specified in clause 7 of the General Terms and Conditions.

NOTES

- a. We cannot guarantee car hire availability or equivalent replacement for Your Vehicle. Multi purpose vehicles, four wheel drive vehicles, minibuses, vans, motorcycles and vehicles with automatic transmission in particular are difficult to hire.
- b. We cannot guarantee replacement vehicles can be supplied with a tow bar, and therefore Your caravan or trailer may be recovered with Your immobilised vehicle.
- c. We cannot arrange a replacement mobile caravan or trailer nor can We arrange for replacement roof boxes. Personal effects, goods, vehicles, boats or other waterborne craft carried in or on Your Vehicle, caravan or trailer remain Your responsibility at all times.
- d. Unless We agree otherwise with You, We will only cover hire car costs where We have arranged the hire. We cannot guarantee that hire cars will be available in all circumstances. You must be able to comply with the hirer's terms and conditions, which will include:
 - production of a full driving licence including any endorsements, valid at the time of issue of the hire vehicle (some companies may require additional information). If You have a photocard style licence, You must carry the paper counterpart (D740) as well.
 - production of a credit card. Arrangements for a hire car cannot be made without one (see also the note on page 5 concerning credit cards).
 - drivers must be within the hirer's minimum/maximum ages for the hire and comply with legislation in the country concerned and must have held a full driving licence for 12 months or more.
- e. If You are travelling in an MPV or similar vehicle, We may have to arrange two hire cars. Otherwise We will make alternative travel arrangements.
- f. Car hire companies' terms may change and do vary. The requirements listed above are not exhaustive and compliance with them does not guarantee availability of a hire car. If You do not comply with the hire company's terms or fail to return the vehicle to them as agreed, the hire company may take action against You.
- g. In parts of Europe, hire cars are not permitted to cross national frontiers and it may be necessary to change hire cars at national borders. If You do not follow Our, or the hirer's instructions, You must pay any additional costs You incur.
- h. If We have arranged car hire for Your journey Home, a vehicle hired abroad cannot be used for any part of Your journey in the UK; a second UK registered vehicle will be arranged for this part of the trip.
- i. For car hire or other alternative travel costs, wherever possible We will arrange and pay costs within the above overall limit. If the hirer will not accept Our guarantee, We will ask You to pay and make a claim for these costs on Your return Home.
- j. If Your Vehicle is specially adapted for You or Your Party's needs it is unlikely that We will be able to locate a similarly adapted vehicle overseas. We will seek with You to find a suitable alternative method of travel, within the benefit limit.

4. Emergency accommodation

You can only claim this benefit if You are not claiming the Alternative Travel Arrangement benefit.

If the repairer estimates that repairs to Your Vehicle will take more than eight (8) hours, We will cover Your necessary costs for additional emergency accommodation as set out overleaf.

WHAT WE WILL COVER

Additional costs over and above those You have budgeted for, for overnight accommodation up to £40 per person, per night to a total maximum of £400 per Party, per trip.

WHAT WE WILL NOT COVER

1. Meals, drinks, telephone calls and newspapers or any other costs incurred by You or Your Party. You must settle these direct with the hotel before leaving.
2. Costs which You would have paid, had no problem with Your Vehicle occurred.
3. Costs where the need for accommodation arises from the transport of any animal.
4. Costs for any animal's emergency accommodation.
5. Anything mentioned as not covered under 1. Roadside assistance and emergency repair.
6. Any matter excluded from cover under the General Terms and Conditions set out on pages 23 – 24, for example, but without limitation, any additional emergency accommodation required following Breakdown or Accident where the need for such assistance arises in the circumstances specified in clause 7 of the General Terms and Conditions.

NOTES

- a. We will arrange and pay costs wherever possible. Where Our guarantee is not accepted, You should pay and make a claim for these costs on Your return Home.

5. Vehicle recovery to the UK or onward to your original destination

If repairs cannot be completed in time for Your planned return Home.

WHAT WE WILL COVER

The cost of unaccompanied recovery for Your Vehicle, up to its current Market Value, to a single destination being either a) Your permanent Home address or b) Your nominated vehicle repairer in the UK or c) Your original destination within the AA European Breakdown Cover – Lite territorial limits, providing the cost does not exceed the cost of repatriating to Your UK Home address. This policy benefit is conditional on Us arranging recovery or agreeing in advance to the method of recovery.

We will also cover storage charges up to £120 incurred in the recovery providing You have made every attempt to organise for Your Vehicle to be returned to Your Home.

We may, at Our discretion and depending on circumstances, arrange with You an alternative method of recovery and costs, as follows:

- If repairs are started but not completed before Your planned return Home, We may arrange with You and pay for one person's pre-agreed travel and accommodation costs to go directly overseas to collect Your Vehicle up to a maximum of £500.

WHAT WE WILL NOT COVER

1. Recovery of Your Vehicle if We calculate it to be beyond commercial economic repair. We will never pay more than the value of the vehicle to bring it Home. If We advise You that Your Vehicle is beyond commercial economic repair, We will give You up to eight (8) weeks after the original incident to agree suitable alternative arrangements with Us for the recovery or disposal of Your Vehicle. If We have no agreement after eight (8) weeks, We will consider You have authorised Us to dispose of Your Vehicle.
2. Recovery where Your Vehicle only needs minor or inexpensive repairs, this is repairs costing £400 or less, inclusive of VAT. We may agree vehicle collection with You in these circumstances if repairs cannot be completed by Your booked return date.
3. If You choose to have Your Vehicle recovered onward to Your original destination You will not be entitled to any further recovery assistance for the full duration of that trip.
4. Recovery where the local garage indicates that it can complete repairs before Your return date.
5. Recovery costs for a vehicle if nobody in Your Party is fit to drive.

6. Repatriation costs for You or Your Party if nobody in Your Party is fit to drive. In such circumstances, repatriation arrangements must be made for You by Your personal travel insurer.
7. Any losses resulting from delay in recovering Your Vehicle.
8. The cost of additional transit risk insurance. You should contact Your motor vehicle insurers to ensure You have any additional cover required.
9. The replacement cost of Your Vehicle or any salvage money if Your Vehicle is beyond commercial economic repair.
10. Transportation costs for a repaired vehicle.
11. Any claim for loss, damage or loss of use of personal effects, goods, vehicles, boats or other waterbourne craft on or in Your Vehicle and/or trailer.
12. Any repair costs after We have recovered Your Vehicle to Your Home, chosen garage in the UK, or Your original destination.
13. Any claim for vehicle collection costs where the overseas garage has not started the necessary repairs to put Your Vehicle back on the road before You return Home.
14. Any additional costs incurred for Your pets.
15. Anything mentioned as not covered under 1. Roadside assistance and emergency repair.
16. Any matter excluded from cover under the General Terms and Conditions set out on pages 23 – 24, for example, but without limitation, any emergency assistance required following Breakdown or Accident where the need for such assistance arises in the circumstances specified in clause 7 of the General Terms and Conditions.

NOTES

- a. If the garage dismantles Your Vehicle for repairs, which are then halted for any reason. We will not accept responsibility for any parts returned in Your Vehicle. In those circumstances, it is most unlikely that the garage would accept any responsibility.
- b. The luggage in Your Vehicle always remains Your responsibility and any items left with Your Vehicle for recovery are left at Your own risk.
- c. The cost of recovery is limited to the current Market Value of Your Vehicle (calculated with reference to recognised trade guide books and the UK market). If We have any doubt as to whether Your Vehicle will be economic to repair We reserve the right to arrange a vehicle inspection.
- d. If Your Vehicle has been involved in an Accident which could be subject to a claim involving Your motor vehicle insurers, We reserve the right to obtain their formal agreement before We arrange the recovery of Your Vehicle and to negotiate with them to reclaim a proportion of the costs incurred.
- e. When vehicle recovery is arranged, delivery of the vehicle normally takes 8–14 working days from most countries in Western Europe. At busy periods, or from other destinations, such as, without restriction, Scandinavia or the Balkan Peninsula, recovery may well take longer.
- f. Before You leave Your Vehicle for recovery, You should remove all valuables and make sure anything left in Your Vehicle is safely stowed. There is no duty-free allowance on an unaccompanied vehicle being recovered – take any dutiable items with You.
- g. You must leave keys, including those for trailers, caravans or roof boxes in a safe place with Your Vehicle, as Customs may need to unlock and inspect the vehicle(s).
- h. When You are notified that Your Vehicle is ready for collection, You will have 14 days to collect the vehicle. You will be responsible for any additional storage fees incurred beyond this period.
- i. While We will seek to arrange return of Your Vehicle, Your Party and Your pet home together by the most suitable means, where this is practical and possible, We cannot be liable for any additional costs incurred for Your pet.
- j. It is Your responsibility to ensure that Your pet meets the mandatory restrictions of the PETS Travel Scheme at all times.

6. Optional Parts and Labour Benefit

WHAT WE WILL COVER

Parts and Labour is an optional extra and is only available to those who have purchased the additional Parts and Labour benefit prior to commencement of the relevant trip. The cover, if purchased, applies in the same geographical zones as Sections 1 to 6 and in Your country of residence for a direct journey between Your Home and the seaport or Eurotunnel terminal You are departing from or arriving back at.

We will pay the costs of repair work (parts and labour), up to a maximum claim limit of £500 per trip, following the Breakdown (only) of Your Vehicle when it is attended under the Roadside Assistance benefit of Your AA European Breakdown Cover - Lite Policy.

The responsibility for authorising repairs rests with You, and the contract for performance of the repairs is between You and the repairer. Only the repairer will have legal responsibility to You for the performance and quality of the repair. We do not have any liability for the acts and omissions of the repairer, even if We pay for the repairs in part or in full.

Any exploratory dismantling charges will only be paid for as part of a valid claim. It is Your responsibility to agree dismantling with the repairer and to pay their charges if, after dismantling, it is reasonably apparent that any defect found is not covered under the Parts and Labour benefit.

You may have to pay the garage direct for all parts and labour costs and claim these back up to the maximum claim limit when You return to Your Home address (please see the 'Making a Claim' section on page 25).

7. Is your personal information transferred outside the UK or the EEA?

We're based in the UK, but sometimes your personal information may be transferred outside the European Economic Area. If we do so, we'll make sure that suitable safeguards are in place, for example by using approved contractual agreements, unless certain exceptions apply.

8. How do we share your information with credit reference agencies?

To process your application, we'll perform credit and identity checks on you with one or more credit reference agencies (**CRAs**). Where you take insurance, financial or credit from us we may also make periodic searches at CRAs to manage your account with us. To do this, we'll supply your personal information to CRAs and they will give us information about you. This will include information from your credit application and about your financial situation and financial history. CRAs will supply to us both public (including the electoral register) and shared credit, financial situation and financial history information and fraud prevention information.

We'll continue to exchange information about you with CRAs while you have a relationship with us. We'll also notify the CRAs about your settled accounts. This information may be given to other organisations by CRAs. **The identities of the CRAs, their role as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail on our website.**

When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

If you're making a joint application, or tell us that you have a spouse or financial associate, we'll link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

9. How do we share your information with Fraud Prevention Agencies?

This is explained in a separate leaflet available on our website or by using the contact details in your policy documents.

We're unable to provide you with our products or services if you do not provide certain information to us. In cases where providing some personal information is optional, we'll make this clear.

12. Do we do any monitoring involving processing of your personal information?

In this section, monitoring means any: listening to recording of, viewing of, intercepting of, or taking and keeping records (as the case may be) of calls, email, text messages, social media messages, in person face to face meetings and other communications.

We may monitor where permitted by law and we'll do this where the law requires it, or to comply with regulatory rules, to prevent or detect crime, in the interests of protecting the security of our communications systems and procedures, and for quality control and staff training purposes. This information may be shared for the purposes described above.

13. What about other automated decision making?

We sometimes make decisions about you using only technology, where none of our employees or any other individuals have been involved. For instance, we may do this to: decide whether to offer you a product or service, to determine the risk of doing so, the price we will offer, whether to offer you credit, what terms and condition to offer you, assess lending, insurance and business risks, or to assess what payment methods we can offer you. We may also do this using data from other parts of the AA, including product or services details (including usage of them or claims made) and telematics data captured including on your vehicle, driving behaviour and location information.

We'll do this where it is necessary for entering into or performing the relevant contract, is authorised by laws that apply to us, or is based on your explicit consent.

14. For how long is your personal information retained by us?

Unless we explain otherwise to you, we'll hold your personal information based on the following criteria:

- For as long as we have reasonable business needs, such as managing our relationship with you and managing our operations;
