Romania	Leu	6.08	6.17	117.47	119.20

Note: We receive international prices to 3 decimal places and calculate the UK pence per litre on that price. Therefore, some countries will show the same price in their local currency to 2 decimal places, but the UK pence price could be slightly different. Please note the unleaded prices for France, Germany and Finland are for E10. That's petrol containing 10 per cent ethanol.
