Call Charges and use of Public Telephones
Some call service providers may charge for calls to free phone numbers. It may be possible for the AA European Operations Centre to return a call to a mobile or a car phone, but your call service provider may charge you for this call.
You are therefore recommended to use a public telephone if possible. In France, only those phone boxes displaying the blue bell sign can receive incoming calls.
Please note that the AA regrets that it cannot reimburse any telephone costs incurred by your party.

Checklist – before you travel

Make sure that you have the following original documents and other items with you.

Required items
  • Credit Card (Required if you need to take advantage of the vehicle hire benefit)
  • Motor Insurance Certificate/Green Card (contact your motor insurer before taking a
car out of the UK to find out if you need a Green Card or if you wish to upgrade to fully

your licence number and National Insurance number to be able obtain your licence history
from the DVLA)
  • International driving permit
  • Statement of Insurance or booking reference

  • Vehicle registration document or hired/leased certificate (if applicable), plus letter of

What to do if you need assistance

What to do if you need assistance

Before you call anyone:

1. If possible try and stop in a safe place out of the way of traffic.
2. Switch on hazard warning lights and sidelights.
3. Put on your high visibility jacket where legally required. (See theAA.com/motoring advice/overseas for further information).
4. Place a warning triangle behind your vehicle in a clearly visible position
   - Roads: approximately 30 metres behind
   - European Motorways: approximately 100 metres behind
   - UK Motorways: do not place a warning triangle as this is illegal for safety reasons.
5. Get all occupants to a place of safety away from moving traffic.

What to do on a French motorway:

Motorways in France are privately managed, so if you break down on a French motorway or motorway service area, the AA cannot arrange for assistance to be sent to you.

1. If you can get to an emergency telephone box, please press the button and the police will send assistance to your location.
2. If you are using a public phone, please dial 17 or, from a mobile phone, dial 112.
3. Once you have been towed off the motorway/service area, call the AA 24-hour helpline for further assistance.

Please note that from 1st October 2008 it is compulsory in France to travel with a warning triangle and a fluorescent high visibility vest. Please see theAA.com/motoring advice/overseas for further details on various European driving requirements.

What to do elsewhere in France or the rest of Europe

Call the AA’s 24-hour helpline for assistance. It is important that you contact the AA helpline if you require assistance. If you contact a garage direct, you will have to settle their bill and you will not be able to claim for these costs.

If you have an accident

If you have a road traffic collision, you will be asked for your motor vehicle insurance details which you must supply. You must report the accident to your insurer as instructions for the repair or recovery of the vehicle can only be taken from them.

If you do not supply details of valid motor vehicle insurance when requested, this could delay the assistance that can be arranged or result in assistance being refused.

Please be ready to tell us:

1. Your AA European Breakdown Cover Policy number, which appears on your Statement of Insurance, or your booking reference.
2. Your exact location.
3. A contact telephone number.
4. Your vehicle’s make, model and registration number.
5. Your credit card details. These are only required for emergency vehicle hire or if you need for arrangements to be made on your behalf, which are not covered by the policy or if arrangements exceed policy limits.

Driving Licence

Your driving licence must also be available if the emergency vehicle hire benefit is available and is to be used; the vehicle hire company will expect to see the original driving licence (please note you may be required to obtain your licence history, you will need your licence number and National Insurance number to be able obtain your licence history from the DVLA).

Always carry your Statement of Insurance or booking reference

You will need to quote a valid policy number or booking reference when you contact the 24 hour AA helpline for assistance to ensure that the full benefits of the policy can be offered.

Please see clause 2 of the General Exclusions on page 23.
Any type of vehicle or Trailer not mentioned in these terms and conditions is not covered.

1. Vehicle types
We cover the following vehicle types:

a) Private cars, light vans, campervans, motor caravans and minibuses
Cover is available for the vehicles listed, providing they meet all the vehicle specification criteria set out under the policy. Without limitation, please note in particular the weight and size restrictions set out in point 2 of these vehicle terms and conditions.

Please note that campervans and motor caravans are excluded from the optional Parts and Labour benefit.

b) Motorcycles
Cover is also available for motorcycles over 200cc providing they meet the vehicle specification criteria set out under the policy (without limitation, please note in particular the weight and size restrictions set out in point 2 of these vehicle terms and conditions). However, We regret that it is not possible to arrange hire of a motorcycle if a replacement vehicle is required. A hire car or alternative transport will be arranged.

Specialist motorcycle recovery cannot be arranged, however, arrangements will be made for Your motorcycle to be recovered back to the Territory under the ‘Vehicle recovery or onward to Your original destination’ benefit detailed on page 19 (section 7) providing the terms of that benefit have been met.

Please note that motorcycles are excluded from the optional Parts and Labour benefit.

c) Trailers and Caravans
Commercially built Trailers and caravans are included within the policy, providing that the towed vehicle and the Trailer load complies with the weight and size restrictions shown below, and does not exceed the manufacturer’s fully laden height, weight and width limits, and is fit for purpose. In addition, a serviceable spare wheel and tyre must be carried if supplied as part of the manufacturer’s standard equipment.

A towing supplement is payable except for Annual policies. It is not possible to arrange a replacement caravan or Trailer if Yours cannot be repaired in Europe. It is also extremely difficult to hire vehicles with tow bars, so it may become necessary to recover a caravan or Trailer together with the insured vehicle, if the insured vehicle cannot be repaired abroad by Your return date.

If it is not possible to arrange repair of the Trailer in Europe, We will only recover a Trailer up to its current Market Value. If You choose to collect Your Trailer, the benefits are up to a maximum of £800 for one person.

We will recover Your personal effects, goods, vehicles, boats or other waterborne craft on or in Your Vehicle and/or Trailer if We are recovering Your Vehicle and/or Trailer. We will not recover these items if We are not recovering Your Vehicle and/or Trailer nor will We consider any claim for loss resulting from damage to/loss of use of these items. Such items remain Your responsibility at all times.

Please note that Trailers and caravans are excluded from the optional Parts and Labour benefit if purchased.

2. Weight and size restrictions (including any load carried)
We cover vehicles highlighted in section 1 of these vehicle terms and conditions providing that they comply with the limitations and vehicle type, weight and size restrictions, and other conditions as set out below.

The Trailer, caravan and its load must also comply with the size and weight restrictions below, or unfortunately the AA will be unable to recover Your property.

What is covered

Section 13 – Optional: Parts and Labour Benefit
Your statement of insurance will show if You have purchased this benefit.
Parts & Labour benefit commences from your trip departure date. (When purchased the cover is subject to the same Geographical Limits as sections 1-6 and in Your country of residence for a direct journey between Your Home and the seaport or Eurotunnel terminal You are departing from or arriving back at).
The costs of repair work (parts and labour) up to a maximum claim limit of £500 per Trip including VAT, provided that Your Vehicle:
a. has suffered a Breakdown, which has prevented it from continuing its journey safely;
b. has been attended under the Roadside Assistance benefit of Your European Breakdown Cover policy; and
c. requires the repair or replacement of the faulty part(s) to enable Your Trip to be resumed or, if applicable, commenced.
If spare parts are not available locally, this will impact on the time taken for a repair. Repairs should not start until We have agreed with You that the relevant repair is eligible for cover, otherwise, You will not be covered for repairs.
The responsibility for authorising repairs rests with You, and the contract for performance of the repairs is between You and the repairer. Only the repairer will have legal responsibility to You for the performance and quality of the repair. We do not have any liability for the acts and omissions of the repairer, even if We pay for the repairs in part or in full.
Any exploratory dismantling charges will only be paid for as part of a valid claim. It is Your responsibility to agree dismantling with the repairer and to pay their charges if, after dismantling, it is reasonably apparent that any defect found is not covered under the Parts and Labour benefit. You may have to pay the garage direct for all parts and labour costs and claim these back up to the maximum claim limit when You return to Your Home address.
It cannot be guaranteed that spare part(s) which are readily available in the UK will be readily available elsewhere and delays may occur in location and delivery of these part(s), especially for older vehicles, where parts may be impossible to locate. Neither, We, nor the AA have any control over the variations in the cost of spare part(s) located or labour rates.
For Annual policies a maximum of three (3) claims can be made within the dates stated on Your Statement of Insurance.

It is also not possible to guarantee that any tow to a local repairer will be within opening hours or that the repairer will be available to undertake repair immediately.
   7. We, or the AA, Our employees or agents, shall not be liable to You for any loss or damage caused by Us, the AA, Our employees or agents where, and to the extent that:
      a. there is no breach of a legal duty owed to You or Your Party by Us, or the AA, or Our employees or agents; or
      b. such loss or damage is not a reasonably foreseeable result of such breach; or
      c. any such loss or damage or increase in the same, results from any breach or omission by You or member of Your Party.
   8. We, the AA, Our employees and agents, shall not in any event, be liable for losses relating to any business interests You or a member of Your Party may have including, without limitation, lost data, lost profit, loss of opportunity or of business or for business interruption, lost contracts, revenue or anticipated savings.

Roadside assistance will usually be provided through a garage or, if You are visiting a country where a motoring organisation operates, the AA may arrange for a mechanic of a local organisation to assist. Service providers including garages, repairers, recovery operators, mechanics of motoring organisations, car hire companies, are not approved by either Us or the AA and do not act as Our agents. Neither We nor the AA can be held liable for any acts or omissions of any such garages or other service providers. However, neither We nor the AA actually provide the services (such as roadside assistance and vehicle repairs) and neither We nor the AA are liable for the acts and omissions of those who do, even if We pay for the repairs in full. If You are dissatisfied with any work undertaken You should contact the relevant service supplier direct. We do not have any liability for the acts and omissions of the repairer, even if We pay for the repairs in part or in full.

18. You must advise The AA if Your Vehicle has a mechanical warranty. While they will arrange initial assistance at the roadside, it is Your responsibility to ensure that any subsequent repairs are in accordance with and do not invalidate Your Vehicle warranty.

19. Commercially built caravans and Trailers are included within the policy, providing that the towed vehicle and the Trailer load complies with the weight and size restrictions (please refer to Vehicle specifications), and does not exceed the manufacturer’s fully laden height, weight and width limits, and is fit for purpose. In addition, a serviceable spare wheel and tyre must be carried if supplied as part of the manufacturer’s standard equipment.

2. Claims and Repair authorisation

1. You should submit a claim within 31 days of Your return Home, except legal claims which can be submitted up to 180 days after the event. If You have any other policy which covers the same risk, You must advise of this when making a claim and We will be entitled to contact the insurance company to claim and receive a contribution towards costs.

2. If You are not the owner of the Vehicle, you must check with the owner before You authorise any repairs.

3. If the garage cannot complete the repairs within eight hours or until after Your planned return Home, You must contact the AA to discuss Your options. You must keep in touch with the AA to confirm any further entitlements under the benefits.

4. You must produce the original or a copy of the original Statement of Insurance and original receipts for expenditure before We will pay any claim. The cost of obtaining any original certificates, information, evidence and receipts required by Us will be at Your expense.

5. If the garage dismantles Your Vehicle for repairs, which are then halted for any reason, We will not accept responsibility for any parts returned in Your Vehicle. In such circumstances, it is most unlikely that the garage would accept any responsibility.

6. If Your Vehicle has been involved in an Accident, which could be subject to a claim involving Your motor vehicle insurers, We reserve the right to obtain their formal agreement before recovery of Your Vehicle is arranged and to negotiate with them to reclaim a proportion of the costs incurred.

7. Before You leave Your Vehicle for recovery, You should remove all valuables and make sure anything left in Your Vehicle is safely stowed. There is no duty-free allowance on an unaccompanied vehicle being recovered – take any dutiable items with You.
8. You must leave keys, including those for Trailers, caravans or roof boxes in a safe place with Your Vehicle, as Customs may need to unlock and inspect the vehicle(s). Without keys we cannot recover vehicles and or Trailers, caravans or roof boxes.

9. When You are notified that Your Vehicle is ready for collection, You will have 14 days to collect the vehicle. You will be responsible for any additional storage fees incurred beyond this period.

10. While the AA seek to arrange return of Your Vehicle, Your Party and Your pet/animal home together by the most suitable means, where this is practical and possible, We cannot be liable for any additional costs incurred for Your pet/animal.

11. It is Your responsibility to ensure that Your pet/animal meets the mandatory restrictions of the PETS Travel Scheme at all times.

12. We will not accept any alterations to the terms of this insurance, unless a duly authorised official of Ours has confirmed changes in writing.

13. You must send Us every legal letter, writ or other legal document, in connection with any claim against You or another member of Your Party, immediately You receive it.

14. If We guarantee costs on Your behalf, You must repay Us on demand for any expenses not covered by this insurance. We will not settle any claim for costs You paid under this insurance until You have repaid Us in full.

15. We may pay You Our full liability under the cover at the time, and once We have done so, no further payments will be made. The benefit limits for each section and overall claim limit show the maximum payable for one Trip, irrespective of the number of incidents during Your Trip.

16. We are entitled to take over any rights Your Party may have in the defence or settlement of any claim and to take proceedings in Your or any other member of Your Party’s name for Our benefit against any other party. You must not admit liability, offer or promise to make any payment in admission of liability unless We agree to it in writing.

17. You must do all that You can to keep Your claims as low as possible and to prevent loss, theft or damage.

18. The AA reserves the right to refuse to arrange breakdown assistance services if one of the person(s) named on the Statement of Insurance is not present at the scene of the Breakdown or Accident.

19. If the AA cannot arrange for a garage to accept Our guarantee of costs, You will be asked to pay for any repairs undertaken at the time and reclaim the costs covered by this insurance.

20. If You insist on authorising lengthy or expensive repairs contrary to the advice of the AA, We reserve the right to refuse any further service under any part of this insurance.

21. The AA will only seek to arrange a guarantee of costs within the limits of the cover under this policy and You will have to pay the repairing garage for extra costs and the costs of parts.

22. If Your Vehicle has left the highway and You ask for assistance when it is in a ditch, standing on soft ground, sand or shingle, or stuck in water or snow, The AA will arrange any recovery to a place of safety but this will be at Your cost.

3. Replacement/ Hire vehicles

1. Car hire availability or equivalent replacement for Your Vehicle cannot be guaranteed. Multi purpose vehicles, four wheel drive vehicles, minibuses, vans, motorcycles and vehicles with automatic transmission in particular are difficult to hire.

2. It cannot be guaranteed that replacement vehicles can be supplied with a tow bar, and therefore Your caravan or Trailer may be recovered with Your immobilised vehicle.

3. It is not possible to arrange a replacement mobile caravan, Trailer or replacement roof box. Personal effects, goods, vehicles, boats or other waterborne craft carried in or on Your Vehicle, caravan or Trailer remain Your responsibility at all times.

4. Unless otherwise agreed, hire car costs will only be covered where the AA have arranged the hire. It cannot be guaranteed that hire cars will be available in all circumstances. You must be able to comply with the hirer’s terms and conditions, which will include:
   a. production of a full driving licence valid at the time of issue of the hire vehicle (some companies may require additional information such as details of any endorsements or fixed penalties or convictions which you may need to obtain from the DVLA).
   b. production of a credit card. Arrangements for a hire car cannot be made without one.
   c. drivers must be within the hirer’s minimum/maximum ages for the hire and comply with legislation in the country concerned and must have held a full driving licence for 12 months or more.

5. Car hire companies’ terms may change and do vary. The requirements listed above are not exhaustive and compliance with them does not guarantee availability of a hire car. If You do not comply with the hire company’s terms or fail to return the vehicle to them as agreed, the hire company may take action against You.
6. If You are travelling in an MPV or similar vehicle, it may be necessary to arrange two hire cars. Otherwise alternative travel arrangements will be made.

7. In parts of Europe, hire cars are not permitted to cross national frontiers and it may be necessary to change hire cars at national borders. If You do not follow the AA, or the hirer’s instructions, You must pay any additional costs You incur.

8. If the AA has arranged car hire for Your journey Home, a vehicle hired abroad cannot be used for any part of Your journey in the Territory; a second vehicle registered in the Territory may be arranged for this part of the Trip.

9. For car hire or other alternative travel costs, wherever possible the AA will arrange, and We will pay costs, within the stated overall limit. If the hirer will not accept Our guarantee, You will be asked to pay and make a claim for these costs on Your return Home.

10. If Your Vehicle is specially adapted for You or Your Party’s needs it is unlikely that the AA will be able to locate a similarly adapted vehicle overseas. The AA will seek with You to find a suitable alternative method of travel, within the benefit limit.

4. Legal Benefit Cover

1. The Legal costs and expenses payable by Us under the Legal Benefit section of this policy are limited to those incurred outside the state in which You or Your Party normally reside(s) and ancillary to the provision of the assistance given with respect to difficulties arising while You or Your Party are travelling away from Home or Your or their permanent residence.

2. All arrangements or instructions made to a lawyer to act for You or for Your Party must be made through Us or with Our prior authority and, for clarification, in instructing any lawyer on Your or their behalf, We act solely as agent for You or Your Party.

3. In deciding whether to give or continue cover under this section the following matters will be taken into account:
   a. in claims involving the pursuance of uninsured losses, We may refuse or terminate assistance if, in our opinion, the claim is not worth pursuing from a practical or financial point of view or a reasonable offer of settlement has been made by the other side, or You or a member of Your Party fail to co-operate with or follow the advice of the appointed lawyers;
   b. Assistance in court proceedings will be refused or terminated unless We and any appointed lawyer are of the opinion that such proceedings are worthwhile with regard to: liability, the evidence available, the amount of any claim or amount remaining in dispute, the realistic chances of success.

4. It is at Our absolute discretion whether any assistance will be given for any appeal and if assistance is agreed, it will be on such additional terms as then specified, including the extent to which We will defray the costs of such appeal.

5. We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in Your or another member of Your Party’s name for our benefit against any other party.

6. Every legal letter, writ or other legal document in connection with a claim against You or a member of Your Party must be sent to Us immediately upon receipt.

5. Fraudulent Claims

If We discover that You, anybody insured under this policy or anyone acting for You has knowingly:
   • made a fraudulent or false claim in full or in part or exaggerated the amount of the claim or provided false or invalid documents in support of a claim; or
   • misrepresented any answers to Our questions or withheld any relevant information in order to influence Us, or the Insurer, to accept a claim; or
   • provided false or invalid documents in support of a claim; or
   • following an allegation or suggestion of fraud by the Insurer, Us, or any other Insurer, withdrawn a claim, had a claim refused or declined or had a policy cancelled or made void. We may:
     • treat Your policy as if it never existed from the date of the fraud or misrepresentation and retain any premium You have paid for this policy.
     • serve You a 7 day notice of cancellation on all other policies that You hold with them; and
     • pass details to the Police and fraud prevention agencies;

or

• Refuse to pay the whole of Your claim if any way fraudulent, false or exaggerated and recover from You any costs that have been incurred.
6. **Amending your policy (including amending the number of passengers)**
   1. You must inform the AA if the vehicle you intend to take on your Trip differs from the vehicle stated on your Statement of Insurance. You are entitled to make up to three vehicle changes during your period of insurance, provided this is made before the commencement of the Trip for which you want that particular vehicle covered.
   2. If you decide to stay abroad beyond the policy end date declared at the time of purchase and shown on the Statement of insurance, you must notify the AA of your new plans before the cover expires and pay the premium to keep your cover in force. A minimum administration charge of £10 may be made. If you do not contact the AA before the cover has expired, your cover will lapse and cannot be reinstated.
   3. If you wish to travel within a country for which you have not purchased the appropriate Zone, you must contact the AA to add the appropriate Zone and pay any additional premium before entering the country for cover to apply.
   4. The number of passengers detailed on your Statement of Insurance should reflect the actual number of passengers travelling, for both the outbound and inbound journeys of the Trip. You must notify the AA prior to travel if you need to amend the number of passengers.
   5. The AA reserves the right to charge an administration fee for each vehicle change made and an older vehicle supplement if the vehicle is older than the previously nominated vehicle. There will be no refund of premium which has been paid in relation to any vehicle which was previously nominated under AA European Breakdown Cover, even where that supplement would not have applied to the vehicle for which a transfer of cover has been requested.

7. **Cancellation rights and procedures**
   **Your right to cancel**
   You have the right to cancel your AA European Breakdown Cover Policy and the Optional Parts and Labour benefit within a 14 day ‘cooling off’ period, commencing either from the agreement of the contract (which is the renewal date when renewing an Annual policy) or the receipt of the policy documents, whichever happens later. The following refund policy will apply for cancellations within the cooling off period:
   - If you cancel during the cooling off period, you will be entitled to a full refund of your premium, less any administration charge. If you have made a claim, then you will be entitled to a full refund of your premium less the cost of any claim(s). Given the cost of most claims, this means that you are unlikely to receive any refund if you have already made a claim.
   - If you wish to cancel after the cooling off period has expired, subject to any relevant statutory rights you may have, there is no obligation to give you a refund for any unexpired portions of cover, except when cancellation is requested by or on behalf of a policyholder because the policy ceases to be of benefit to the policyholder for one of the following reasons:
     1) death of the policyholder or, where the policy is Joint, death of the nominated person on the policy;
     2) you are permanently unable to drive due to illness or injury (where the policy is Joint, this will also apply to the nominated person).

   Any refund will be on a pro rata basis.

   We reserve the right to require the production of appropriate evidence to prove the reason for cancellation where a pro rata refund is claimed.

8. **Annual Policy Automatic Renewals**
   If you have purchased Annual cover and have chosen to pay by Direct Debit or Continuous Debit or Credit Card payments, your cover will renew automatically after 12 months. For the avoidance of doubt we reserve the right to withdraw and/or not to offer cover at renewal.
   The AA will send you a written reminder in advance of your renewal date to advise you of the premium and any changes to cover that will take effect at renewal. If you would like to switch your AA European Breakdown Cover to another vehicle, please contact the AA on the number below.
   If you do not want your cover to renew on this basis, or would like to make any changes to your policy, you should contact the AA at least 7 days prior to renewal on 0370 608 0681.
9. The law and the language, which applies to the policy

The headings used in this booklet are for convenience only and shall not affect the interpretation of its contents.

You and the Insurer are free to choose the law applicable to this policy but in the absence of agreement to the contrary, the law of the country in which You reside at the inception of the policy will apply. If You are not resident (or, in the case of a business, the registered office or principal place of business is not situated) in England, Wales, Scotland or Northern Ireland, the law, which will apply, is the law of England and Wales.

The terms and conditions and all other information concerning this policy are supplied in the English language and We undertake to communicate in this language for the duration of the policy.

Save for the rights granted to AA Insurance Services under this policy any person or company who is not a party to this contract does not have any rights they can enforce under this contract by virtue of the Contracts (Rights of Third Parties) Act 1999 except those they have by law.

If we do so, we’ll make sure that suitable safeguards are in place where required, for example by using approved contractual agreements or other legal arrangements unless certain exceptions apply.

**Sharing with credit reference and fraud prevention agencies**
If you apply for credit, to process your application we may perform credit, risk and identity checks on you with one or more Credit Reference Agencies (**CRAs**) and Fraud Prevention Agencies (**FPAs**). When you take out a Roadside policy or product from us we may also make periodic searches at CRAs to manage your account with us. To do this, we and our underwriters supply your personal information to CRAs and FPAs, and they will give us information about you. This will include information about your financial situation and financial history. CRAs and FPAs will supply to us both public (including the electoral register) and shared credit, financial situation, insurance and financial history information and fraud prevention information.

If you have credit, we may continue to exchange information about you with CRAs and FPAs while you have a relationship with us, and if necessary afterwards. We may also notify the CRAs about your settled accounts. The identities of the CRAs and FPAs, their role as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail on our website. When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.
If you’re making a joint application or tell us that you have a spouse or financial associate, we may link your records together, so you should make sure you discuss this with them, and share with them this information, before lodging the application. CRAs will also link your records together and these links will remain on your and their files until such time as you or your partner successfully files for a disassociation with the CRAs to break that link.

We may also use FPAs such as Experian and commercially available fraud prevention services and claims services to prevent, detect and investigation potential fraud. We may share information with FPAs about your application and policies in order to help us do this. This information may be given to other organisations. More information can be found on our website at www.theaa.com/privacy-notice.

Changes to your data
You should tell us so that we can update our records. The contact details for this purpose are in your policy documents. We’ll then update your records if we can.

Monitoring communications
We may monitor communications with you, where permitted by law. We do this for quality control and staff training purposes, to comply with regulatory rules, to prevent or detect crime, to protect the security of our communications, data, and systems, and to enforce compliance with our internal policies.

Use of automated decisions
We sometimes make decisions about you using only technology, where none of our employees or any other individuals have been involved. We do this to decide whether to offer you a product or service, to determine the risk of doing so, the price we will offer, whether to offer you credit, what terms and condition to offer you, assess lending, insurance and business risks, or to assess what payment methods we can offer you. We may do this using data from other parts of the AA (AA group and AA branded companies) and policy underwriters, including product or services details (including usage of claims made) and telematics data captured including on your vehicle, driving behaviour and location information.

To understand the logic involved in this and why we do this, you may wish to consider the following example:

- Assess your credit worthiness and ability - for example, if you are applying for credit and have a history of late or non-payment of debts, we may not able to offer you credit or do so at a higher rate.
- Assess our ability to offer our products and services and manage those accounts – for example, we will take account of your history of using your policy or policies. If you or your beneficiaries make claims or have calls outs or, or if we have concerns about potential use of a policy (for example, if you are in breach of the conditions) or circumstances this may result in a higher risk being assigned to you, meaning you may be quoted a higher price or a policy being declined or cancelled.
- Assess the risk of fraud - if we believe there is a significant risk of fraud, based on the information we hold or that is available to us, we may decline your application, quote a higher price or decline or cancel your policy or application.

We do this because it is necessary for entering into or performing the relevant insurance or credit agreement with you. We may do so if it is authorised by law or is based on your explicit consent.
