Is there any protection for me if my insurer is unable to meet its liabilities?

Your insurer is covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if your insurer cannot meet their obligations. This depends on the type of business and the circumstances of the claim. For Insurance you are covered for 90% of the claim, without any upper limit. For compulsory insurance (eg third-party motor) the claim is covered in full, without any upper limit.

Further information about compensation scheme arrangements is available at www.fscs.org.uk or telephone 0800 678 1100 or 0207 741 4100.

ABOUT YOUR POLICY

We've put this booklet together to clearly set out the details of your insurance cover. Please read it carefully, together with your **Statement of Insurance** and **Certificate of Motor Insurance** (including any **Endorsements**) to make sure they meet your needs.

Remember to check the exclusions and restrictions under each section and also the general exceptions and exclusions which apply to the whole policy.

Additional benefit – Courtesy car

An AA Comprehensive Car Insurance policy means that following an accident, you will be provided with use of a standard courtesy car while your car is undergoing repair, subject to the repair being carried out by your insurer-approved repairer.

A courtesy car is not available in respect of total loss claims or where the vehicle is stolen and unrecovered, or for accidents occurring outside the UK.

In the event you need to make a claim on your policy your AA motor insurer may instruct an approved repairer to carry out the repairs. In most cases, if they do instruct repairs to start, a standard courtesy car will be supplied during the period of the repairs. A standard courtesy car is a category 'A' vehicle, normally a small 3 door, 1 litre hatchback car.

Guaranteed Repairs

You will receive a 3 year guarantee on all repairs, subject to the repair being carried out by an insurer-approved repairer.

SECTION 8: CAR SHARING

What is covered

In Great Britain or Northern Ireland if **You** or any **Permitted Driver** accept payments as part of a car sharing arrangement for the carriage of passengers in the **Insured Car** for social or other similar purposes this will not be regarded as the carrying of passengers for hire or reward or as use for hiring but will be regarded as a use covered by this insurance provided that the total payments for the journey do not involve an element of profit and the passengers are not being carried in the course of a business of carrying passengers.

What is not covered

Vehicles constructed or adapted to carry more than eight passengers (excluding the driver).

SECTION 9: NO CLAIM DISCOUNT

AAIS operate a panel of insurers and each insurer applies their own individual **No Claim Discount** scale. If no claim has been made during the current insurance year, the **Insurer** will include a discount in **Your** renewal premium. The amount of discount will be in accordance with the **Insurer's** scale of **No Claim Discount** applicable at the time of renewal.

If a claim has been made and Your No Claim Discount remains outstanding from your previous insurers You may be required to prove Your entitlement by producing written evidence from Your previous insurers.

If a claim has been made or arisen under this insurance in any one period of insurance **Your No Claim Discount** will be reduced at the next renewal in accordance with the **Insurer's** 'step back' scale applicable at the time of renewal (usually to the equivalent of 0, 1 or 2 years) subject to any **No Claim Discount** Protection condition that may apply to this insurance.

You may not transfer **Your No Claim Discount** to anyone else.

Claims that do not affect your No Claim Discount

If the only claim **You** make is under Glass damage – Section 2 Subsection 4

or under Emergency Treatment – Section 7

or

for incidents for which the **Insurer** obtains a full recovery of all payments made it will not count as a claim for the purposes of **No Claim Discount**

or

Your vehicle is hit by an identified driver who is not insured and the accident is completely their fault (**You** will also not have to pay an **Excess** in this circumstance). See Section 15 on page 15 of this booklet for more information on the Uninsured Driver Promise.

No Claim Discount protection

If this benefit applies on this insurance please refer to **Your Statement of Insurance** for full details of how many claims are allowed before **No Claim Discount** protection is withdrawn and the **No Claim Discount** is reduced.

If **You** have **No Claim Discount** protection on this insurance the premium may still increase at renewal.

Procedures are explained below dependent on who invokes cancellation.

Please note that if **You** cancel **Your** Car Insurance policy or it is cancelled by **AAIS** or **Your Insurer** for any reason then any **Optional Policy Enhancements** such as AA Excess Protection shall automatically be cancelled on the same date.

You

If **You** need to cancel **Your** policy, contact **AAIS** on 0344 412 4684 or write to AA Insurance Services, PO Box 2AA, Newcastle NE99 2AA.

1. Cancellation within 14 days if cover has not commenced

You will, for a period of 14 days from the date **You** receive **Your** policy documentation or the date **You** enter into the contract (whichever is later), have a right to cancel this policy and receive a full refund of the premium **You** have paid and a full refund of the **AAIS** arrangement fee* of £28.

2. Cancellation within 14 days if cover has commenced

You will, for a period of 14 days from the date **You** receive **Your** policy documentation or the date **You** enter into the contract (whichever is later), have a right to cancel this policy and receive a refund (unless **You** have made a total-loss claim). **Your Insurer** will refund a percentage of the premium calculated on a daily pro rata basis equivalent to the period of cover left unused. The charge for this period of cover will always be a minimum of £15, and **AAIS** will also retain its arrangement fee* of £28.

3. Cancellation outside 14 days

Beyond 14 days of receipt of **Your** policy documentation or the date **You** enter into the contract, (whichever is later) **You** may cancel this insurance at any time. **Your Insurer** will refund a percentage of the premium calculated on a pro rata basis equivalent to the period of cover left unused. The charge for this period of cover will always be a minimum of £15. No refund of premium will be allowed if a claim has been made or has arisen under this insurance prior to such cancellation during the current period of insurance. **AAIS** will charge a cancellation fee* of £30 and also retain its arrangement fee* of £28. If **You** have chosen to pay **Your** annual premium by instalments and a claim has been made **You** must continue to pay **Your** monthly Direct Debit or pay in full any premium of balance due.

AAIS (Instalment defaults)

If **You** are paying by instalments **You** irrevocably authorise **AAIS**, as **Your** agent, at **AAIS'** discretion to cancel this insurance (and any **Optional Policy Enhancements**) following and in accordance with any default notice sent to **You**. **You** also irrevocably authorise **AAIS** to receive any refund of premium from the **Insurer** and apply it to pay or reduce any sums owed to **AAIS** including its cancellation fee of £30, its arrangement fee* of £28 and any premium outstanding on any **Optional Policy Enhancements**. Any residual balance of return premium remaining after these deductions will be paid to **You**. The Insurer or AAIS (excluding instalment default cancellations)

The **Insurer** or **AAIS** may cancel this insurance if there are serious grounds to do so such as abuse of **AAIS** or **Insurer** staff or suppliers, non-payment, failure to supply requested validation documentation (proof of **No Claim Discount**, Driving Licence, Security certificate etc) or **You** have provided **Your Insurer** or **AAIS** with incorrect information and **You** have failed to provide a remedy. **Your Insurer** or **AAIS** will send, at least 7 days written notice to **Your** last known address and provided that:

then a full pro rata premium refund from the date of cancellation will be paid to **You** (but no refund of any **AAIS** arrangement fee* will be made). If **You** pay **Your** premium by instalments **You** authorise **AAIS** to receive any refund of premium from the **Insurer** and apply it to pay or reduce any sums owed to **AAIS**. Any residual

balance of return premium remaining after these deductions will be paid to **You**.

If **AAIS** becomes insolvent then the **Insurer** may either, at its option (1) appoint an administrator to take over the **AAIS** role of collecting premium from **You** and passing such premium to the **Insurer**, or (2) cancel this policy upon 30 days notice and give **You** a refund of any premium from the Insurer paid in respect of the unexpired period left on the policy. In the latter case, the **Insurer** may contact **You** to offer **You** a replacement policy directly with the **Insurer**. The **Insurer** shall ensure that the offer of a replacement policy is on no worse terms than **You** existing policy. Purchasing such replacement policy with the **Insurer** shall be optional.

*Fees chargeable by **AAIS** in the event of cancellation as referred to in this section shall become due under **Your** separate contract with **AAIS** as set out in the document entitled 'About our insurance services'. (This contract will also be cancelled if **You** cancel **Your** Car Insurance policy). Any cancellation by **You**, the **Insurer** or **AAIS** will not affect any rights and responsibilities arising before cancellation takes place.

Is there any protection for me if my insurer is unable to meet its liabilities?

Your insurer is covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if your insurer cannot meet their obligations. This depends on the type of business and the circumstances of the claim. For Insurance you are covered for 90% of the claim, without any upper limit. For compulsory insurance (eg third-party motor) the claim is covered in full, without any upper limit.

Further information about compensation scheme arrangements is available at www.fscs.org.uk or telephone 0800 678 1100 or 0207 741 4100.

Please make sure you always quote your policy number from your Certificate or Statement of Insurance. This complaints procedure doesn't affect your statutory rights.

Personal information includes information about you (such as your name, contact details, payment details and health information) and similar information you provide about someone else.
- 1.2 The AA group of companies[^] (being AA plc, together with any entity in which AA plc directly or indirectly has at least a 50% shareholding[^]) (“we”) will use personal information (whether provided by you, held by us or obtained from a third party) for the following purposes:
 - a) to identify you when you contact us;
 - b) to enable us to give you a quote and on what terms (including the premium payable) and assess which payment options we can offer you;
 - c) to help identify accounts, services and/or products which you could have from us or selected partners from time to time. We may do this by automatic means using a scoring system, which uses the information you have provided, any information we hold about you and information from third party agencies (including credit reference agencies who will keep a record of our enquiry);
 - d) to provide the accounts, services and products you have purchased from us and manage any claims you make;
 - e) to help administer, and contact you about improved administration of, any accounts, services and products we have provided before, or provide now or in the future;
 - f) to carry out marketing analysis and customer profiling (including with transactional information), conduct research, including creating statistical and testing information;
 - g) for management information purposes, to operate our business, to analyse and manage risk, to improve our products and services, and to better understand our members and customers;
 - h) to help to prevent and detect fraud or loss and other criminal activity;
 - i) to contact you in any way (including by post, email, telephone, text or multimedia messages) about products and services offered by us and/or selected partners in accordance with any marketing consent or preferences you have given us; and
 - j) for the other purposes set out in this section.

[^] A list of companies forming the AA group of companies is available from The AA Data Protection Officer at the address given in point 1.7 below.

- 1.3 We may allow other people and organisations to use the personal information we hold for or in connection with the purposes listed above, including as part of the process of selling one or more of our businesses, or if we have been legitimately asked to provide information for legal or regulatory purposes, or as part of legal proceedings or prospective legal proceedings, or where we have engaged a service provider to provide services on our behalf. In the event of a claim, we may need to share personal information with any other party involved in the claim (such as third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators). If you make a complaint about us, we may need to forward details about or relevant to your complaint, including personal information, to the relevant ombudsman, adjudicator, authority or regulator.
- 1.4 From time to time, these people and organisations may be outside the European Economic Area in countries that do not provide the same standards of protection for personal information as the UK. We will, however, take reasonable steps to ensure sufficient protections are in place to safeguard your personal information in accordance with our legal obligations.
- 1.5 We may monitor and record communications with you (including phone conversations and emails) for quality assurance and compliance reasons.
- 1.6 We may check your details with credit reference and fraud prevention agencies (please see below for further information). If you provide false or inaccurate information and we suspect fraud, we will record this and details will be passed to fraud prevention agencies. Law enforcement agencies may also access and use this information. We and other organisations may access and use the information recorded by fraud prevention agencies in other countries. We and other organisations may use and search the records of these credit reference and fraud prevention agencies for various reasons, including to:
 - a) help make decisions about credit related services for you and members of your household, including assessing what quote (including the premium payable) and which payment options we can offer you for particular services;
 - b) help make decisions on motor, household, credit, life and other insurance proposals and insurance claims for you and other members of your household;
 - c) trace debtors, recover debt, prevent fraud, and to manage your accounts or insurance policies;
 - d) check your identity to prevent financial crime unless you give us other satisfactory proof of identity; and
 - e) check the details of job applicants and employees.

Information held about you by these agencies may be linked to records relating to other people living at the same address with whom you are financially linked. These records will also be taken into account in credit and fraud prevention checks. Information from your application and payment details of your account will be recorded with one or more of these agencies and may be shared with other organisations to help make credit and insurance decisions about you and members of your household with whom you are financially linked and for debt collection and fraud prevention. This includes those who have moved house and who have missed payments.

- 1.7 If you need further details of those credit reference and fraud prevention agencies from which we obtain and with which we may record information about you, please write to The AA Data Protection Officer at The AA, Fanum House, Basing View, Basingstoke, Hampshire RG21 4EA.
- 1.8 You should show this section to anyone covered or proposed to be covered under this policy. Where you give us information on behalf of someone else, you confirm that you have provided them with the information set out in these provisions, and that they have not objected to the use of their personal information in the same way that we use your personal information as described here. Where you give us sensitive data about yourself or another person (such as health details or details of any criminal convictions) or we obtain this information in connection with our relationship with you, you agree (and confirm that the other person has agreed) to our processing such information in the manner set out in these provisions.

Credit Reference Agencies

To assess your insurance application and the terms on which cover may be offered (including the quote and payment methods we are able to offer you and the premium payable), we may obtain information about you from a number of sources, including credit reference agencies, to check your credit status and identity. The credit reference agencies will keep a record of the search and it may be reflected in your credit score.

Insurers: fraud prevention, regulatory etc

Insurers pass information to the Claims and Underwriting Exchange Register, run by Insurance Database Services Ltd ("IDSL"), the Motor Insurance Anti-Fraud and Theft Register, also run by IDSL, and to other fraud prevention databases. The aim is to help check information provided and also to prevent fraudulent claims. When insurers deal with your request for insurance, they may search these registers. We and Insurers may also search these registers and use the information contained in those registers to assess the terms on which cover may be offered (including the quote we are able to offer you and the premium payable). Under the conditions of your policy, you must tell the Insurer about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell the Insurer about an incident, the Insurer will pass information relating to it to the registers. For details relating to information held about you on the Claims Underwriting and Exchange Register and the Motor Insurance Anti-Fraud and Theft Register, please visit www.insurancedatabases.co.uk.

Information relating to your insurance policy will be added to the Motor Insurance Database ("MID") managed by the Motor Insurers' Bureau ("MIB"). MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the Driver and Vehicle Licensing Agency ("DVLA"), the Driver and Vehicle Licensing Northern Ireland ("DVLNI"), the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including (i) Electronic Vehicle Licensing, (ii) Continuous Insurance Enforcement, (iii) Law Enforcement (prevention, detection, apprehension and/or prosecution of offenders) and (iv) the provision of government services and/ or other services aimed at reducing the level and incidence of uninsured driving. If you are involved in a road traffic accident in the UK, the European Economic Area and certain other territories, insurers and/or MIB may search MID to obtain relevant information. Persons (or their representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on MID. It is vital that MID holds your correct registration. If it is incorrectly shown on MID you are at risk of having your vehicle seized by the Police. You can check that the correct registration number is shown on MID at www.askmid.com. You can find out more about this at www.mib.org.uk. You should show this notice to anyone insured to drive the vehicle covered under the policy.

Insurers may also use your information for the same reasons and in the same ways as we do as referred to in this section, including paragraph 1.6 above.
