

Never leave your dog alone in the car — it can kill them!

Keep your dog happy and healthy in the heat:

- 🐾 Never leave your dog in the car, even if it feels cool outside
- 🐾 Remember dogs cannot cool down as effectively as humans
- 🐾 Parking in the shade or leaving a window open does not make it safe
- 🐾 If you need to travel by car with your dog, avoid the heat of the day
- 🐾 Consider using a car sunblind, such as those used for children, to provide shade
- 🐾 Make sure you keep a ready supply of water available and make regular stops

If you see a distressed dog in a vehicle please call 999, or either the RSPCA on 0300 1234 999 or the Scottish SPCA on 03000 999 999.
