

## Terms & Conditions

These are the terms & conditions for our third party, Xexec, who provide the vouchers.

### 1. Prices

Prices displayed are correct and maintained daily. In the event of an order being placed against an accidental incorrect price, Xexec will endeavour to inform the purchaser of the error within seven days of the purchase being made.

### 2. Offer Availability

The vouchers offer is available for eligible customers from the 18th January 2021 at 12am and ends on the 1st February 2021 at 12am

### 3. Availability

Xexec sell closed dated vouchers (expiry dates vary) and the recipient is free to purchase their preferred item within this time period.

### 4. Redemption

The process for using the voucher, card or token you have obtained will vary by brand. Terms that explain how to redeem, together with specific conditions that apply will be made available as part of your purchase. To participate in this promotion, you must provide a valid email address of yours to Xexec via the website address that will be provided in your letter. Xexec will not be held liable for costs incurred if you do not follow the procedure set out in these terms.

### 5. Validity

The validity of vouchers varies depending on the retailer. It is your responsibility as the user of the voucher to check the expiry date (which will be printed on the vouchers or otherwise notified to you in the accompanying email) and ensure your voucher has been used by then. Vouchers cannot be extended or returned once issued.

### 6. Restrictions

Some of the vouchers may have restrictions, for example the voucher may not be valid during sale periods. If restrictions apply, these will be mentioned in the product description. Please abide by these restrictions as Xexec are not responsible for any event where the voucher is not accepted by the retailer due to restrictive periods. If you are unsure of the restrictions or have any questions, please email us on [info@xexec.com](mailto:info@xexec.com) with your query and we will advise you accordingly.

### 7. Exchanges and Refunds

All vouchers are non-exchangeable and non-refundable.

### 8. Privacy

Xexec collects, uses and in some cases, is responsible for certain personal information about you. When we do so we are regulated under the General Data Protection Regulation which applies across the European Union (including in the United Kingdom) as well as national data protection laws. When we are responsible for your personal data, we act as a 'controller' of that personal information for the purposes of those laws. When we process your personal data on behalf of a third party, for example, a user's employer, we act as a 'processor'. Personal data, or personal

information, means any information about an individual from which that person can be identified. It does not include data where the identity has been removed (anonymous data).

You agree that we may collect, use, store and transfer different kinds of personal data about you which we may collect from your employer or benefit provider for us to verify your access. Aside from the user data you provide to us pursuant to the commercial contract between us, we may collect, use, store and transfer different kinds of personal data about you which we may collect from you directly, from your company, from your company's website or from publicly available internet resources or networks.

For both our users and our customers, such information may include:

- Identity Data: This includes your first name, last name,
- Contact Data: This will include your email address. As a user, if you purchase a voucher or redeem an offer through our website or as a customer contracting with us, Xexec may also collect information about you in order to process your order (which may include professional and/or personal contact details): telephone numbers (including mobile numbers);

We will only use your personal data when the law allows us to. Most commonly, we will use your personal data in the following circumstances:

- To provide goods and services to you;
- To verify your identity;
- To enable Xexec to manage customer service interactions with you; and
- Where we have a legal right or duty to disclose your information (for example in relation to an investigation by a public authority or in a legal dispute).
